

"THAT LITTLE GAME" — THE BLUFF KILLER

I'M PROUD OF MY FATHER BECAUSE HE IS ONE GOOD POKER PLAYER. — I'VE ALWAYS STUCK TO ONE BIT OF ADVICE HE HANDED ME. — "GEORGE," HE SAID, "DON'T NEVER LOSE A POT FOR THE SAKE OF THIRTY CENTS, DON'T LET 'EM BLUFF YOU!" AND BELIEVE ME I'VE BEEN "CALLIN'" FOR FOUR YEARS EVERY TIME.

WHY DON'T YOU PUT YOUR JACK IN A SATCHEL AND THROW IT DOWN A SEWER?

OH, I DON'T KNOW, — I'LL BET HE'S AHEAD OF THE GAME.

WHY, SURE! I'LL BET MY OLD WALNUT LIMB THERE AINT THREE HONEST POKER PLAYERS ON EARTH. WHY, IF THE MAJORITY WERE HONEST ALL THE REAL SPORTS WOULD PLAY CROQUET FOR A THRILL.

HERE COMES OUR BOAT.

BORO COUNCIL MET ON MONDAY

(From Page One)

Property Committee was ordered to have windows at Council Chamber repaired.

Mr. George Shatz, Pumping Engineer, reported pumping 5,320,000 gallons of water during month by steam, gasoline and water power.

Upon motion one hundred dollars was transferred from the Borough account to the Water account.

Special Officer Zerphy made the following report: Traffic arrests 7, parking 7, larceny 2, nonsupport 2, vagrancy 1, fraudulent checks 2.

Mr. M. M. Leib Secretary Board of Health, stated no quarantines during month. Sanitary Restaurant Survey of town is now on.

After reading a communication from the State Health Department of Harrisburg, relative to the Filtration Plant, President Murphy appointed a special committee of three councilmen with Solicitor John A. Coyle to meet officials of the State in the near future.

At the last regular meeting of council the citizens presented a petition asking council to pass an ordinance prohibiting the use of such devices that will interfere with radio reception through the boro. The special committee appointed by President Murphy gave the following report: After interviewing Boro Solicitor John A. Coyle reported there is nothing on the statute books of Pennsylvania to draft an ordinance of that kind.

Bills to the amount of \$514.52 were then paid and council adjourned.

Start Pullets Right
Any change in feeding and management of pullets should be made before production starts. Pullets beginning to lay without sufficient size and weight are likely to quit and molt soon after production commences. State College specialists say.

Bladder Wouldn't Let Her Sleep

THIS WOMAN HAD DIZZY SPELLS, TERRIBLE BACK-ACHES — NEIGHBORS AMAZED AT IMPROVEMENT AFTER TAKING MATAMEL

New Haven, Conn.—Mrs. Eunice V. Brown, well known 84 year old local resident of 81 Henry St., is on her feet once more, her many friends will be glad to learn. In an interview she stated:

"I am eighty-four years old and for the last ten years have suffered from certain forms of chronic kidney and bladder inflammation. Had terrible backaches, dizzy spells, spots before my eyes, burning and aching of the bladder, suffered very badly with soreness across the lower part of the abdomen, my ankles were swollen, could not sleep, having to get up in the night so many times. The doctor told me my kidneys needed a good diuretic, but I never could get anything to give me relief until I heard of Matamel. After taking it I found such relief from that burning and aching feeling in my bladder I purchased more. Now, after taking it six weeks, I feel like a different person I can sleep without having my sleep disturbed."

Matamel is a compound of the sap of the Magney Plant. If you have headaches—pains in back—tired feeling in the morning—lack of energy—dancing spots before the eyes—strange noises in ears or head—dizzy spells—poor appetite—coated, foul tongue—dry, itchy skin—pimples—needle cramps—loss of weight—restless sleep—frequent going to bathroom due to insufficient bladder elimination—don't wait but get Matamel at once from

CHURCHMEN ASK SUPPORT OF RED CROSS ROLL CALL

Leading churchmen of the nation have joined in asking public support of the annual Roll Call of the American Red Cross. Two distinguished leaders who have sent messages to their congregations all over the country are quoted, as follows:

"I plead for an extension of our Red Cross membership until we can call a roll of every adult American," stated the Most Reverend Michael J. Curley, Archbishop of Baltimore. "I would like to see the children listed in the organization by their parents. I plead for it because of the spiritual reaction I visualize in our millions of contributing members."

"As president of the Federal Council of the Churches of Christ in America, I bespeak for the Roll Call of the American Red Cross the fullest cooperation of all the churches in the constituency of the Council," writes Francis J. McConnell, president of the Federal Council. "I cannot imagine that there is any minister who will not be grateful for the opportunity to call the attention of his people to the work of the Red Cross and to urge them to enroll in its membership."

NURSES ENROLLED WITH RED CROSS FOR SERVICE

Enrolled with the Nursing Service of the American Red Cross at Washington are 49,000 nurses, qualified under the society's regulations, who may be summoned to service in time of disaster or other emergency. From the Red Cross enrollment were assigned 20,000 nurses in the World War. These Red Cross nurses are the standing reserve of the Army and Navy Nurse Corps of the United States, and are also called upon for service in other governmental health services.

PAINFUL CORNS

Loosen—Lift Out

A little known Japanese herb, the discovery of an eminent German scientist (Dr. Sticker) instantly soothes the corn, callous or wart, then loosens it so that shortly you can lift it right out. This new discovery called "Corn Fly" excites the white blood corpuscles to action and granulates the corn at its root so that it drops out and leaves no trace of scar or soreness.

You will also find "Corn Fly Foot Bath Powder" a boon for sore, tired or perspiring feet.

"Corn Fly" for corns, 35c, "Corn Fly Foot Bath Powder" 25c, and "Corn Fly Bunion Remedy" 50c. (all three—\$1.10 value—for \$1.00), are sold under a positive money-back guarantee by H. Gene Co., Newark, N. J., or local druggist.
