A Special Service By This Progressive Store Free Parking Care for Customer's Cars **Brings Great Relief**

One of the trials of the automobile driver in the maze of necessary city traffic rules is where to park, how long and within what lines. We have solved all this for our customers by securing the co-operation of two big garages where you can leave your car all day without interference and without cost.

D. W. Ranck's Hudson and Essex Garage at East King and Shippen streets and the Manhattan Hotel at No. 51 West King Street. Use whichever you desire.

HOW?

Having parked your car, do your shopping with M. T. Garvin & Co., who will deliver your purchases to either garage, if you wish. When you pay your store bills, keep the checks and show them signed with your name and address to the garage keeper, who will deliver your car with no parking charge. You do not have to hurry. You can visit, go to the theatre, or attend to any other business you may have. You can park your car as early as 8 A. M. if you wish, and leave it there until 6 P. M. Please be very free to use this service, feel comfortable while in the city and the parking costs you nothing.
