burg pike, near Landisville, was DIRECTOR BUCHER MADE AD-DRESS ON IMPORTANT NEED OF THE HOUR, MUSIC SU-PERVISION

> The Rapho township teachers held their monthly meeting at Sporting Hill on Saturday morning. Miss Charles discussed the subject of language and told the teachers how she teaches language at Hossler's.

Andrew Martin discussed the subject of arithmetic, he discussed subject of arithmetic, he discussed in full the methods of teaching the fundamentals, and the importance of thorough drills.

The subject was further discuss ed by Kready, who told the teachers how to interest, or stimulate the interest of the disinterested pupils in arithmetic.

The subject was closed by Rohrer's remarks on the subject. He said the teacher's principle aim in Prof. and Mrs. Stayer, of Millers- teaching the subject should not be to get pupils ready for High school Mrs. Willis Freed visited her sis- but much time should be given to the practical everyday problems, Mr and Mrs. John Adams of Harris- too much time given to the few who want to enter High school at the expense of many who never go wasn't fair.

Director Bucher gave an address on an important need of the hour, namely music supervision. He called attention to the directors and teachers that all the seventeen boroughs of the county and seven townships now have a music supervisor, and heartily pledged his support to help Rapho to procure a

music supervisor. The teachers unanimously were in favor of Director Bucher's cause thirty and thirty-five million.

Bosters Will Meet
