That's the cheapest advertising you can get. Saturday, Feb. 1—At the Bulletin Office at 7:30 P. M., real estate on Marietta street, Mount Joy by Mr. George F. Neiss, Frank, auct. See advertisement. Saturday, March 15—On the premises, the C. N. Hershey farm, one mile west of Florin, entire lot of live stock and farm implements. Some house-hold goods by John Hivner, Frank, auct. Thursday, March, 13—In East Hempfield Township, one mile north of the village of Landisville, live stock, farming implements, and household and kitchen furniture by Joseph L. Greider. It is not especially important what breed of dairy cows you select—the important thing is to choose good individuals of a breed. However, it is usually best to choose a breed that is common in the community. The coat doesn't make the man—not even a coat of tar and feathers.

A FEW TIPS FOR THE HOUSEWIFE

INFORMATION IS SUPPLIED THE BULLETIN BY THE U. S. DEPARTMENT AT WASHINGTON, D. C.

Serve foods which have to be carved on platters large enough to allow the one who carves free play. Never place around a roast foods which are likely to have their appearance spoiled in carving, or get in the way of the carver.

Unwrap meat as soon as it is delivered, and place on a clean plate in the coldest part of the refrigerator. A piece of parchment paper may be loosely laid across the top of the meat but not wrapped around it.

Learn to know the attachments of your sewing machine and how to use them. Keep your tensions adjusted to the kind of material you are using. Use good needles and the right size for your thread and the material to be used.

Fruit whips can be made of any fruit pulp of pronounced flavor and color. Heat the fruit pulp to dissolve the added sugar, and combine while hot with the stiffly beaten egg whites so as to cook the eggs partially and give body to the mixture. After the fruit pulp has been combined with the egg whites, and sugar, the mixture may be baked if desired. When baked in a dish surrounded by water in a very slow oven (225 to 250 degrees F.) for about one hour, the whip should not fall, and may be served either hot or cold. Or, fruit whips may be served as soon as mixed without cooking. Whipped cream is a delicious addition to cold fruit whips. Prunes and apricots make especially good fruit whips. Leaflet 39, "Eggs at any Meal," which may be had free from the U. S. Department of Agriculture, tells how to make these desserts.

WHAT MOUNT JOY NEEDS AT PRESENT

(From Page One) the betterment of the community. There are some things that need serious thought. Our water is not what it should be by any means. Let us do something and do it soon. Our lighting system is inadequate. If you doubt the statement, visit some of our sister Boroughs and see what they are doing.

Last but not the least by any means the moral of our Borough needs protection from its invaders, the ones who put the gain of dollars and cents above morals and Christian living, who consider a soul of less value than 9c, the soul that never dies. One of the causes of any community is bootlegging. A one hundred percent American will not disregard the 18th Amendment and those who disregard our laws let them take its consequences. They have no one to blame but themselves. The authorities at Washington are going to make every effort to enforce the laws. It is up to every community to do their part. There are other matters for later consideration. No one individual can do the things that are needed. It requires the whole hearted co-operation of the Council and Burgess backed by our law abiding citizens. The only hope of preserving what is best lies in the practice of an immense charity, and a sincere respect for the opinions of others. DR. W. D. CHANDLER, Burgess.

Women are far more heroic than men—as any shoe dealer will tell you.

LOCAL EXCHANGE IN NEW QUARTERS

(From Page One) hot water heat, which is supplied by an efficient oil burner.

There is a large garage building in the rear of the main building which will be remodeled and used for storage of automobiles and trucks, as well as material and supplies of the Columbia Telephone Company.

The Telephone Company installed a switchboard of larger capacity than the old switchboard and a protector and terminal frame of much larger capacity than the one in its former Central office or exchange.

There were four ducts of underground conduit from Apple Alley to the cellar of the main building, thru which all wires enter the building by two cables. The "cut over" from the old Exchange to the new Exchange was made in the afternoon of December 31st and but a few of the telephone subscribers knew that the change was being made. In order to make the "cut over" to the new Exchange with the least interference to the service, it required several weeks of preparation and rearranging of cables, wires, etc.

In addition to the Telephone Company occupying the second floor front room as a Telephone Central Office or Exchange, Dr. Damon R. Smedley will occupy the first floor with his offices and the apartment on the second floor as his residence after February 1st. Mr. Alvin Showalter, combination man for the Columbia Telephone Company, occupies the other apartment as his residence.

AUTO MISHAPS OVER WEEK END

(From Page One)

man and woman with much difficulty. They were pinned in the wreckage, part of which had to be lifted up to free them. In describing the accident, Mr. Spencer said Hoffer pulled sharply to the left of the road to avoid hitting another car pulling out of a side road. The Hoffer machine leaned and struck the tree before the driver could bring it back on the pike.

Mrs. Lee Rettew, of Maytown, driver of the other machine, suffered from shock, and minor cuts and bruises. The injured were given first aid treatment by Dr. Cornell G. Gray, of Marietta.

Both cars were headed toward Marietta, when one of them made a left turn. The Hoffer car careened into a yard at the home of Earl Nye, Marietta, and crashed into a tree.

A call was sent for the Columbia hospital ambulance, but in the meantime Mr. and Mrs. Hoffer were taken to the institution in an auto.

Motorcyclist Hurt
Paul Witmer, 18, Mt. Joy, R. D. 2, was admitted to the Columbia hospital shortly before noon Sunday, suffering from a broken leg incurred in a collision between a motorcycle, operated by Alvin Greider, Columbia R. D. 2, on which he was riding, and the automobile of Lloyd Stehman, florist.

Mr. Stehman was returning from church, accompanied by his mother, and had just made the turn at Eighth and Blunston streets to go to his home when Greider's motorcycle which was coming across Eighth behind him collided with the left side of the car. Both youths on the motorcycle were thrown to the ground. Witmer was unable to get to his feet and Mr. Stehman, who stopped his car immediately took both youths to the hospital where it was found that Witmer had suffered a fracture of the right leg. Greider was given dispensary treatment for minor lacerations on the right hand.

OUR NEW COUNCIL MET MONDAY NITE

(From page 1) per month for special officer Zerphey, all salaries were made same as last year.

The resignation of Dr. W. D. Chandler as a member of the Board of Health was received and accepted. This action was due to the fact that the office conflicted with that of Burgess.

Secretary M. M. Leib, of the Board of Health, reported that the term of Dr. A. F. Snyder as a member of the Board, had expired Jan. 1.

Chairman Murphy stated that the appointments will be made later. The secretary of the Fire Company reported the floors in the engine room need attention. No action.

Pumping Engineer Geo. W. Shatz reported having pumped 360,000 gallons of water in 12 hours by steam power and 4,240,000 gallons in 424 hours by water power during the month of December.

Secretary Leib of the Board of Health, reported one case of whooping cough in December and but four cases quarantined since July 1.

Special Officer Zerphey presented the following report for the year: Traffic arrests 53, parking arrests 22, fraudulent conversion 3, serious charges 4, larceny 9, passing fraudulent checks 7, nonsupport 7, false pretense 1, vagrants 1, peddling without a license 1, drunk and disorderly conduct 6, incorrigible 1, assault and battery 2, violating school law 1, receiving stolen goods 1, forgery 2, riding bicycle on the pavement 1, stolen car recovered 1, night lodgers 588.

Mr. H. N. Nissley, treasurer, reported balances as follows: Boro, \$3,369.26; Water, \$751.04; Interest, \$46.00. Upon motion \$1,000.00 was transferred from the Boro account to the Sinking Fund.

Bills to the amount of \$45 were then paid and Council adjourned.

Tin and enamelware cooking utensils which have food stuck to them may be cleaned by boiling them in a weak solution of washing soda. Never use soda on aluminum ware. Steel wool or fine scouring powder is the best to use on aluminum.

Flavor a few glasses of your apple jelly with mint extract and color with green vegetable coloring. The jelly will be enjoyed with lamb.
