E'TOWN WILL OPPOSE RURAL ROUTE MERGING

Plans for merging four rural mail delivery routes going out of the boro into three being contemplated by the U. S. Postal Department are not meeting with

local favor. According to Postmaster Ambrose S. Plummer, the plan is not feasible because the change would because the change would make each route at least forty miles long which would delay the mail deliveries to too great an extent.

The change has been considered because of the recent resignation of George W. Hoffer, 103 West High street, retired because of age, which leaves vacant Route 2, which is 28 miles in length. Mr. Plummer states that he will re-
