## OWL-LAFFS

Now that those Hunter boys made a new long distance flying record, it's about time some one swims across the Atlantic.

I really can't understand why so many people take up that marathon stuff, keep doing the very same thing over and over again for hours and we have some folks here in town who won't even start anything.

I heard a fan ask a boy what steam was and the little fellow replied that it was water crazy with the heat.

One of our Manheim street colored fellows says he's had good luck ever since he carries a rabbit's foot in his pocket. The first night he put it there his wife was going thru his pockets and came mighty near being scared to death. She thought it was a mouse.

Met a chap from Rheems and I inquired: "How is it I never see you with that girl any more?" He said: "I've married her."

While one of our young belles was strutting down Main street Saturday night, I heard a fellow say: "That girl sure shows distinction in her clothes."

After I sized her up I figured he should have said, distinctly.

Two kids on West Donegal street. One said: "Let's play house." "All right," said the other. "You be the door and I'll slam you."

A girl from the city is here on a visit and of all the dumb doras, she gets the prize. She actually thinks that a baby coach is a man who teaches children to do things.

I heard a fellow ask Frank Young down at the filling station if he ever hunted bear and Frank said: "No, whenever I go hunting I always wear something."

But I know the time when he came almost hunting bear—it was the time he was leading that hound around on those Potter county hills. That sooner sure did take him thru the brush.

He lies the hero of swimming fame, He dove, in his sleep, thru the window frame.

Yesterday Edgar Hagenberger told me that he changed his mind so I asked him if it works any better.

Some young chap was down at Happy Darrenkamp's and Bill said he will sell him a picture he had there for \$10.

The fellow said: "I won't give you that much for the picture but I'll give you five dollars for the address of the model."

A woman on Marietta street sat all over her daughter because she caught her sitting on her beau's lap.

The girl said it was her mother's own fault and that she was only following her instructions. Her mother had told her that in case her boy friend gets fresh she should sit on him.

The fellows told Joe Detwiler, the barber, that they know a man who runs a school for stammerers. Joe said: "But who the deuce wants to learn stammering."

Some fellow asked Lee Ellis if he thought Carnera will be the world's champ. Lee said: "Who's got a better right?"

At one of our local restaurants a fellow said: "Waiter, never mind my order now. I can't eat where there's a smell of paint." The waiter said: "Just wait a minute please and those two young ladies will be going."

Just the same she was only an undertaker's daughter but she knew her buries.

While enroute to Lancaster on the train the other day the conductor asked a lady how old her son was and she said: "Four." Then he asked the boy and he said "Four."

Then the conductor replied: "Well, I'll let him ride this time but when he grows up he'll either be a giant or a liar."

Just saw a big blunder in a county paper last week. A certain couple got married and in giving the groom's occupation it stated that he was a collector of antiques.

She didn't like that a darn bit but what could she do?

The local young couple that were taking a ride in a 1918 Ford, know

Pittsburgh and Lake Erie railroad asked Interstate Commerce Commission for authority to construct three and one-half mile line between Monaca and Bellowsville.

by now, that their love certainly doesn't run smooth.

There was a time when girls wouldn't have any time for a fellow who had green in his eyes. Now they haven't any time for him unless he has lots of green in his pockets.

I heard a fellow say that he invented a fuelless motor.

The second liar asked him if it worked and he said: "Absolutely. No fuelin'."

Just the same, brassieres have their off days too.

We have a chap here in town who loafs around the post office a great deal. If you gave him a penny for his thoughts he'd still owe you some change.

## PRODUCE & LIVE STOCK MARKET

CORRECT INFORMATION FURNISHED WEEKLY BY THE PENNA. BUREAU OF MARKETS FOR THE BULLETIN

Receipts of nearby tomatoes increased sharply today and it was estimated that around 1,754 baskets arrived by motor truck. The quality was very irregular as the high prices have brought considerable immature and poor stock on the market. This had a depressing effect on the market, although the best stock sold fairly well. Most sales of good stock ranged from \$3 to \$3.25 per 5-8 basket, with poorer stock as low as \$1.00, according to the Penna. and U. S. Market News Service.

The best string beans were somewhat stronger but poor stock continued dull. Wax varieties sold at 40c to 50c per 5-8 basket with a few fancy lots bringing 60c to 65c. Green Varieties brought 30c to 40c with fancy lots as high as 75c. Beets sold at 1c to 2c per bunch, carrots 2 1/2c to 3c and rhubarb 1c to 2c.

Cabbage was dull and most stock sold around 25c a 5-8 basket while nearby cumberdolls sold at \$1.25 to \$1.40. New Jersey celery hearts sold at 5c to 8c per bunch. Lettuce was about steady with Romaine bringing 40c to 50c per crate and Big Boston 30c to \$1.00.

Nearby bunches radishes were firm and brought 75c to \$1.00 per bushel. Rutabagas brought 30c to 40c per 5-8 basket, white turnips 35c to 40c and white squash 25c to 50c. Nearby potatoes held firm with the best Cobblers selling at 75c to 85c per 5-8 basket.

The apple market was quiet and the best stock of various early varieties brought \$1.50 to \$2.00 with poor stock selling as low as 25c. Many apples offered were very small and should have been left on the farm. Blackberries brought \$3.50 to \$4.50 per 32 quart crate and huckleberries \$6.00 to \$8.00. Raspberries sold at 8c to 12c per pint and sour cherries at 7c per pound.

Market: Slow, better grades beef steers steady to strong, some sales 25c higher, common and medium grades barely steady with the last week's 25c to 50c decline, top medium weights \$10.50, numerous sales light and medium weights \$9.75-10.00, bulk \$8.50-9.50. Bulls, she stock and cutters about steady with recent decline, bulk fat heifers \$7.50-8.50, beef bulls \$7.50-8.25, butcher cows \$6.25-7.00, cutters \$3.50-4.25. Stockers and feeders slow, steady to weak, bulk \$9.75-8.00. Calves strong, 25c to 50c higher, top vealers \$12.50, few select held higher.

## THE COUNTRY NEWSPAPER OF GREAT VALUE ACCORDING TO STATEMENT OF NOTED EDITORIAL WRITER—PROVEN BY FACTS

Arthur Brisbane, one of the best minds of the time, says:  
"H. Z. Mitchell's 'Sentinel,' published at Bermidjii, Minn., wins the prize as best weekly in the National Editorial Contest. This is a good time to remind the public in general, and national advertisers in particular, that country weekly newspapers are the most important organs of public opinion and protectors of public welfare."  
"And, their advertising per mill line, is not excelled by any publication, of any kind."  
"The reader of a country weekly buys everything from shingles on the roof to cement in the cellar floor, and every advertiser has in him a possible customer."
