Versatile Apple Sauce

PPLE sauce need not be orange juice and one and one-half A "applesauce" at all. It is a splendid mixer and just as one and one-half cups of canned much at home and just as welcome in a sparkling salad or a add one-half cup of chopped flaky crumbly biscuit as it is with meats. Properly blended and made from the best grade of juicy apples—as it is in the canned and onle-mail cup of enopped blanched almonds, and pour into small wet molds and chill. Serve very cold on lettuce hearts with cream mayonnaise. apples—as it is in the control of the product—it is very delectable as well as healthful. The old adage well as healthful. The old adage sift two cups of flour, four teamonth of the model. ern family thus—"A can a day spoons of baking powder, one-half keeps the doctor. keeps the doctor away."

Cool Ways for Warm Days

of sugar, three tablespoons of makes about sixteen medium-

of salt. Cut in three tablespoons of shortening and add one beaten Here are two of the newest, egg, one-half cup of canned apple icest ways of serving apple sauce and one-fourth cup of thick auce: sour milk, mixed together. Put
Apple Ale Salad: Soak two out on a floured board, cut into tablespoons of gelatin in one-fourth small biscuits and place in pans. cup of cold water for five minutes. Sprinkle with grated cheese, and then dissolve in one-half cup of bake in a hot oven—450 degrees boiling water. Add one-third cup—for ten to twelve minutes. This
