EDUCATING THE MOTORING PUBLIC

VALUABLE INFORMATION FOR MOTORISTS FURNISHED THE BULLETIN BY KEYSTONE AUTOMOBILE CLUB

Tribute to the accomplishments of the Pennsylvania Department of Highways in the elimination of the highway hazards is paid in a statement today by the Keystone Automobile Club, which informs motorists that highway conditions are better now than at any time since the automobile became a factor in transportation.

"In addition to building more than 700 miles of new roads thus far this year," said J. Maxwell Smith, General Manager of the Club, "the Department of Highways has eliminated 26 grade crossings, widened or reconstructed 227 bridges and installed more than 260 miles of guard rail along dangerous stretches of highway."

"Because the work of the Department is done unobtrusively, without fanfare of trumpets or publicity promotion, the average motorist is inclined to take things for granted and accept the newer and better conditions without comment. As an organization of motorists we believe that public credit should be given to the enterprise and efficient work of the Department's active engineering heads, Samuel Eckels and W. A. Van Duzer. They could have done much less this year and still kept the Department in the foremost rank of American road builders."

ONE MAN KILLED OTHERS ARE HURT

(From Page One) chine in which the injured men were riding. He pleaded guilty before Burgess W. D. Chandler on reckless driving charges and paid the costs.

Beside the two injured men and the driver the Neale machine contained Elizabeth Snyder and Dick Kugle, of Marietta. The machine wrecked the porch at the home of Mrs. Sam Collins.

Gibbons was accompanied by his wife, Sadie and four children, Ethel Jane, Naomi, and Jane Cunningham.

Struck a Pedestrian  
Edward Blau of Switzerland, whose address in this country has not been learned, is unconscious in the Lancaster General Hospital. He was hit by a delivery truck on the Harrisburg pike, west of her e, at 5 p. m. He is suffering from a possible fracture of the skull and his condition is regarded as serious by attendants.

Kline Hoffman, of Elizabethtown, driver of the truck, told police he was driving toward Mount Joy, just south of the boro limits when he felt a jar and looking back on the road saw a man lying along the side.

Hoffman told police he was unable to see the pedestrian because he was blinded by the sun striking on the windshield. Hoffman took the man to the office of Dr. A. F. Snyder, of Mount Joy, where he was treated and then removed to Lancaster.

If you can get amusement out of your own follies you should be able to work up a smile almost any time.

Life is a long lesson in humility.
