### 2 FLORIN BOYS GUILTY OF THEFT

(From page 1)  
Their confession states they slipped out of church to rob the homes of worshippers, but while robbing the Thome residence, they were frightened off. In fleeing from the scene they tossed the jewelry along the trolley tracks a short distance from the Thome home, where it was found by Clair Lefever, trolley motorman, and returned to the owner.  
Charges of felonious entry and larceny were lodged against the brothers before Justice Grimm, of Elizabethtown and in default of bail they were committed to jail to await a hearing Tuesday night.

At the hearing before Squire Grimm, at Elizabethtown last night the Commonwealth called a number of witnesses. Also the defense, who were represented by Miss Edna Hearn, of Lancaster, and who called at least a dozen members of the U. B. Church of Florin, who told of seeing one or the other of the boys at church on the night of the robberies. The last one called was Dale Dolby who stated that he had made a confession of the robberies to Constable Zerphey and County Detective Weller and implicated his brother James. They were released under \$1,500.00 on the three charges of \$500.00 each. The bail was furnished by six members of the church.

A prominent Episcopalian tells this one: "Little James had only been coming to Sunday school a few months and heard the teacher ask many times, 'What Sunday is this?' (The first Sunday in Lent; the first Sunday after Epiphany, etc.) Finally he was absent for a few weeks, and on his return the teacher asked us usual, 'What Sunday is this?' 'He replied before anyone else, 'The first Sunday after the Fourth of July.'"

### INJUSTICE TO A LOCAL RESIDENT

(From page 1)  
man's office last Thursday evening. Constable Weller stated he made the arrest on "information furnished" but refused to say by whom.

Mr. Fred Schneider, Jr. of town, admitted having ridden in a car on numerous occasions with several other young men, that the car stopped at Mr. Rahn's place of business but that he never saw anything out of order and that Mr. Rahn's reputation for honesty was very good.

Mrs. Jos. Funbar, of near town, who was seen going to Mr. Rahn's store with several pieces of jewelry, testified that she tried to sell them to Mr. Rahn and couldn't, so she took them home again and still has them on the attic.

At this juncture Alderman Burkhardt dismissed the case.

We publish the above facts because there were so many rumors afloat concerning this case.

We want to state that this man whose honesty was questioned, is one of our best, fairest and most upright citizens. He is conducting a legitimate business and is enjoying prosperity ever since he became a resident of Mount Joy and we welcome more like him.
