Mount Joy Seeks Voting Machines

BURGESS W. D. CHANDLER PRE-PARES TO ACT AS THE COUNTY COURT LIFTS THE INJUNCTION

With the lifting of the temporary inunction banning the use of 40 voting machines purchased by the Lancaster county commissioners last year, officials of Mount Joy borough, voters of which decided last November to have voting machines installed there, started er, Mr .and Mrs. Levi Bruhaker, Vera a drive to see that they are installed

The last obstacle in the way of using the machines in Lancaster city and Elizabethtown borough this year was removed on Saturday when Judge AMENDMENTS CONTAIN A NUM-John M. Groff, in a decision, dissolved the temporary injunction, which was brought into effect, as a result of a complaint filed October 23, 1930, by Robert E. Lee Tomlin, of this city.

Although, by law, the county comnissioners are not compelled to install voting machines in Mount Joy until Burgess W. D. Chandler of Mount Joy stated Sunday everting that he is in- reau of Motor Vehicles. vestigating the situation and that he

Burgess Chandler declared that the expected to have the machines in-

voting machines, ten of which have the offense occurred. been in use since the time of purchase in the first two wards of the city. The other 40 were to have been used in the other voting districts of the city their use was forestalled by the injunction granted Tomlin.

County commissioners intimated code. Saturday that they have discussed the purchase of other machines informally, and that action will be taken in the Elizabethtown and Mount Joy, no the use of the machines.
