DEPT. INVESTIGATING STREAM POLLUTION HERE

Mr. Frank I. Sando, warden of Harrisburg, representing the State Board of Fish Commissioners, was in town last Wednesday investigating a relast Wednesday investigating a reported stream pollution in the Little of the first Mumma in America, on the Chickies Creek.

It was reported to the Department that something was killing the fish in the twenty-third annual reunion, were bridge east of town, hence this investigation

The stream was patrolled and names of witnesses taken who saw the dead fish in the stream several weeks ago.

THE CANDIDATES NAMES

Last week we made mention that objection was filed to the names of Fred Fletcher and Paul L. Stoner, as candi-

dates for School Director. The County Commissioners overruled the objections and their names will now be printed on ballots for the primary in September.

Four Were Arrested Constable Zerphey arrested four caster County met and organized a motorists here during the week for Lancaster County chapter of the minor violations. They will be heard Penna. Motor Truck Association. by the Burgess.
