SPORTS
By "Mikey" Weaver

THE FAIRVIEW A. A. DEFEATES LOCAL ELEVEN

The Fairview A. A., of Harrisburg, scored a hard earned 7 to 6 victory over the Mount Joy A. A. on the latter's field, when Myers, Fairview half back, ran around right end on the first play of the game for fifty-two yards to score the opening touchdown, Sunday afternoon.

On four different occasions the local eleven threatened the visitor's goal only to meet a stonewall defense and lost the ball on downs, except in the latter part of the third period, Neiss crashed through the opposing line for the local's score from the two yard line.

RHEEMS
Mr. and Mrs. John Wagner spent the weekend in Perry County at their gunning camp.

Mr. and Mrs. Harry Bechtel, son Arthur and Mr. and Mrs. Bill Curn spent Saturday in Lancaster.
Quite a few from this vicinity attended the communion services held in the Mennonite Church at Elizabethtown on Sunday morning.

Mr. and Mrs. E. P. Kraybill motored to State College on Sunday.
Mr. and Mrs. Jacob Zeager, son Elmer and daughter Myrtle, Mr. and Mrs. Harry Myers and daughter Jean, Mr. and Mrs. W. W. Weaver and daughters Janice and Jean motored to Perry county on Sunday.

Mrs. Stella Wolgemuth has fitted to Paul E. Hertenly's. This place has been vacated by Raymond Miller who has fitted to the late Ephraim Hertenly property.
Mr. and Mrs. Harry Haunstein of near Bossler's church and Mr. and Mrs. Benj. Reinhold of this place, left on an automobile trip to Ohio on Tuesday morning.

M. K. Enterline, local Dodge and Plymouth dealer sold a dodge truck to George Brown and Son, at Mount Joy.

Whiskey Plant Opens
Seventy-five men will go to work tomorrow at the Bradford plant of A. Overholt & Company, Connelsville, manufacturing rye whiskey for medicinal purposes under Government regulations.
The quantity to be distilled was not disclosed.

Lehn, elocution, Beatrice Dattelman, oratory.
Recorders: J. R. Goetz and A. M. Baugher.
Refreshment Committee: Grace Henderson, Ruth Nolt, Beatrice Dattelman, Margaret Lehn.
The winners of each event will be presented with an appropriate ribbon and the class in the senior high school obtaining the largest number of points will have possession of the beautiful Strickler cup for one year, while the team in the Junior High school that amasses the largest number of points may retain the Arnold cup for a year.

DEALER CONFIRMS RUMOR OF A PLYMOUTH SIX

Persistent rumors that a new Plymouth car shortly to be announced would be a six cylinder automobile of lower price than that of current Plymouth models, was confirmed here today by John G. Longenecker, local Plymouth and Chrysler dealer.

Although no definite announcement date was named, it was stated that the new cars would make their appearance here within a few weeks.

"The new Plymouth Six, is the product of a new era of automobile manufacture. The recent economic stress has stimulated the progress of automotive design far ahead of the amount of advance usually achieved in any three year period. Machine tool manufacturers have volunteered more new designs recently than usual. Machine tool design has kept pace with the demand for finer but more economical manufacturing methods. Intricate machines that operate to almost unbelievable dimensions are now available. Amplifying gauges that literally split hairs not once but many times, are a part of the general production scheme.

"Thus the engineering laboratory model may be reproduced in the commercial product with absolute accuracy. The Plymouth is a product of these new conditions. Only these recent developments permit the production of a car of so low a price and the quality of past Plymouths with many new features. The mammoth Plymouth plant in Detroit has been completely re-tooled. Millions of dollars have been spent for new machinery."

"At the request of factory officials, the local dealer is not yet announcing the specific features of this new Plymouth. However, he stated the new Plymouth Six is a full-size, full-tread car and it retains the features which distinguished its predecessor, namely, Floating Power, automatic clutch, Free Wheeling, easy-shift silent second transmission, all-steel body, rigid-X frame and a six-cylinder engine of Chrysler Motors' exclusive design and build.

"The new Plymouth Six," said according to Mr. Longenecker, is, moreover, a beautiful car, skillfully designed to combine the most popular beauty and style elements found ordinarily only in cars of a much higher price range.

"We have not been informed as yet of the exact price of this new motor car," he said, "but we know that it will bear the lowest price ever placed on a Chrysler Motors' product."
