Florin Water Cos.' **Books Destroyed**

ONE OF THE OFFICIALS TESTIFIES THAT RECORDS PRIOR TO 1925 WERE DESTROYED - HEARING BEFORE P. S. C. AT HARRISBURG

Burned books and inter-company relations were discussed before the Public Service Commission at Harrisburg Wednesday in the hearing of the complaint of Charles H. Staley against the Florin Water Company.

Witnesses for the company testified that the books of the company, prior to 1925, could not be produced because they had been burned by order of areceiver in bankruptcy. The company agreed, however, to permit the complaints to examine the books of more recent years to facilitate cross-examination at a later hearing.

the new rates, effective September 15, 1932 would yield a net profit of \$650. In the brief examination of H. Roy Nissly, one of the owners of the water company, counsel for the complainan sought to show that the capacity and water supply were largely based on service to a chocolate plant and milk station operated by E. L. Nissly's Sons. The two plants, no longer operating consumed half of the 70,000,000 gallons

served by the company.

H. Roy Nissly testified the purchase of a large spring, to supplement wells was necessary to supply Florins domestic service, regardless of the presence of the two large consumer plants.

The commission will set a date for the second hearing after accountants for the complainants have completed their examination of the company's

Three Local Suits Were Non-Suited

LOCAL MERCHANT LOST INSUR-ANCE BECAUSE TITLE OF FARM WAS TRANSFERRED — FURTHER ACTION TO RECOVER MAY BE

Three suits in which a local resident sought to collect insurance for a fire on his farm property in Rapho township were ordered non-suited by Judge B. C. Atlee, who ruled that the plaintiff's insurance policies were in his name alone while the deed to the property was in the name of the plaintiff and his wife.

The farm property is owned by Albert Strickler, of town, and his wife. Strickler, the plaintiff in the three actions, sought to collect insurance to the amount of approximately \$5,311.80 to cover losses to the property by fire caused by lightning on May 11, 1931. In directing that the actions be nonsuited, the Court explained that Stricker could not recover because he did not have the policy changed to conform with a change in the title of his prop-
