Mt. Joy Welfare Drive Nov. 21 to 26

MOUNT JOY BORO'S QUOTA IS \$2,500—BUDGETS LESS THAN TION IS URGED

The week of November 21 to 26 has been designated as the time for conducting the Annual Welfare Drive for funds for the year 1933. At a meeting of the Association held on Tuesday evening a budget of \$2,500.00 was established as the amount necessary to supply relief during the coming year. This amount is less than that required to cover the expenses for 1932 and is only made possible by a reduction of budgets of the various agencies which receive the support of the Mount Joy Welfare Association.

Considerable interesting information is being compiled at the present time showing the expenditures of funds for the year 1932. This information will be published in detail at a later date. At the present vast amount of well edited school time all efforts are being centered on the drive this coming week and it is hoped that the people of our ommunity will respond in a most generous manner. The demand is greater, expenses have been cut, the work must go on. It can be done only by full cooperation of our
