# All BUNDLES Must Be Left at the DOOR...

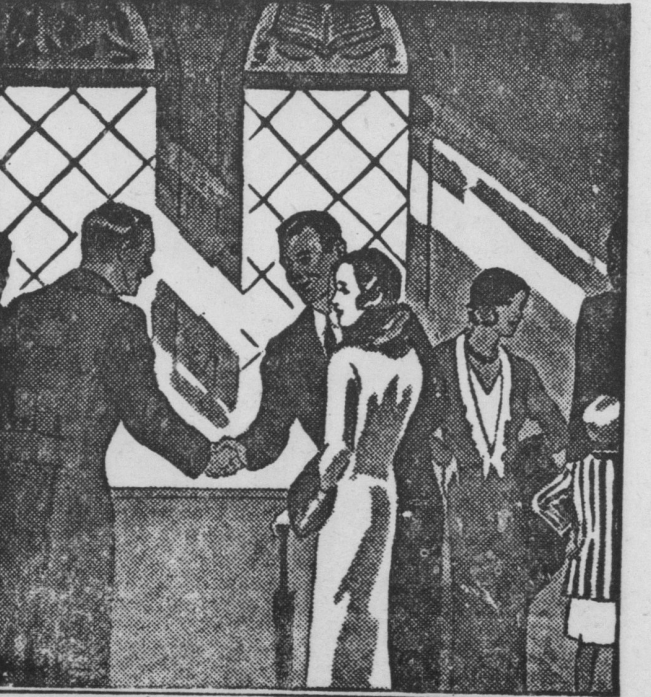

STRANGE ruling! Yet a ruling that is adhered to strictly by every church. The bundles in question are WORRY, CARE. They must be left at the door when you enter your Church. And when you come out again, the bundles will be gone! No matter how heavy your burdens, no matter how long or far you have carried them, they will be lifted from you as you enter. Remember that! When things are darkest, and you are weary, and the hill ahead looks too steep, and you feel that you cannot take another step, remember your Church.

# Leave Worry and Care at Home

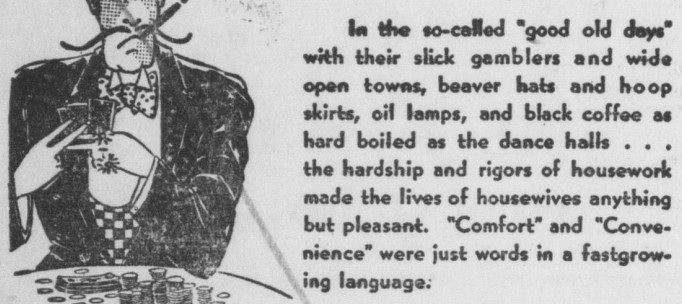

Your Church offers you strength, rest, courage. Let your Church help you. Come Let your Church help you. Come often. Come in sorrow, but come, too, in joy. For though the Church can make your sorrow less bitter it can also make your joy more sweet. Come to Church next Sunday and leave WORRY and CARE at the door.

# IN THE "GOOD OLD DAYS"

In the so-called "good old days" with their slick gamblers and wide open towns, beaver hats and hoop skirts, oil lamps, and black coffee as hard boiled as the dance halls . . . the hardship and rigors of housework made the lives of housewives anything but pleasant. "Confort" and "Convenience" were just words in a fastgrowing language.

Things gradually changed with the development of Electricity and Electrical Appliances . . . and now, household routine need no longer be tiresome, hard and lengthy. Electricity, the perfect servant, will take all the labor and drudgery from the tasks that used to make wives middle-aged at thirty . . . and old at forty.

And Electricity works for a few pennies a day . . . the cheapest wages ever paid any servant.

Visit our store or your Local Dealer's and learn how accurate, exact, precise, yet inexpensive the various Electrical appliances really are, and how cheaply all of them can be operated . . . let us show you how marvelously convenient the all-electric home really is.
