Local Autoist Kills Youth

C. LLOYD NISSLY, 36, OF FLORIN, UNFORTUNATELY RUNS DOWN THREE PEDESTRIANS ON PIKE NEAR SILVER SPRINGS

A former Lancaster county youth was injured fatally and his brother and a companion were hurt when an alleged drunken driver ran down the three while walking along the Marietta pike, near Silver Spring.

Roy Stauffer, seventeen, of near Fredericksburg, Lebanon county, died in St. Joseph's hospital of internal injuries and shock.

D. J. F. Trexler, deputy coroner, performed an autopsy.

Autoist Arrested

C. Lloyd Nissly, thirty-six, Florin, driver of the automobile, is now being held on charges of drunken driving and failing to stop and render assistance brought by Patrolman Groff before Justice of the Peace Sheller, Rohersburg, but it is expected that additional charges of involuntary manslaughter will be lodged following the coroner's investigation.

Raymond Stauffer, eighteen, a brother of the victim, is in the hospital with a possible fracture of the right leg and several fractured ribs.

George Wile twenty, Silver Spring, received brush burns of the face and hands and was treated at the scene of the accident.

Patrolman Groff said he learned that Nissly was driving toward Lancaster when his car struck the three youths, who were walking in the same direction but on the left side of the road. The headlights of Nissly's car were extinguished by the collision, according to the patrolman's information.

W. G. Swords and H. M. Kauffman, Silver Spring, who were standing in front of Mumm's garage, a short distance east of the point of the accident, told Patrolman Groff they heard the crash and saw Nissly drive past in his car with the lights extinguished. They gave chase, they said, and stopped Nissly about three-quarters of a mile from the scene. They held him until the arrival of the patrolman, whom they summoned.

Roy and Raymond Stauffer are former residents of Silver Spring, having moved to a farm near Fredericksburg last June. They had returned to their former home yesterday in search of work, according to Wile, at whose home they were staying.

Wile said they had started out on foot for the home of Oscar Shenk, near Oyster Point, and that they were walking on the edge of the highway, facing traffic.

Dr. J. F. Trexler, deputy coroner, announced that he will recommend the lodging of a charge of involuntary manslaughter against Nissly.

Dr. Trexler, following an autopsy, revealed that the victim died of a ruptured spleen, a ruptured vein in the right pleural cavity and a hemorrhage of the brain.
