Arrested For Collecting Funds Illegally

(From page 1) eastern county and unlawfully appealing to the public for donations, subscriptions in money and other property without a valid certificate of registration having been issued to them by the Department of Welfare Harrisburg. Representing themselves as Gospel Workers, Relief Works and Mission Workers, the group has been collecting funds from residents of the rural districts according to the complaint. Police said the group occasionally gave a band concert in the various towns to attract a crowd. The income of this group during the past several months, police said, averaged between \$100 and \$200 in cash, in addition to large quantities of foodstuffs. Reagen, the alleged ringleader, made a statement, police said, in which he said ten per cent of the money collected went to the National headquarters of the Gospel Army at Los Angeles. He said the balance was being distributed to the poor. The Sheaffers also made a statement, police said, in which they declared they were agents of Reagen. They said that a chauffeur was hired by Reagen at \$1.50 a day to haul them around.

A Music Recital

(From page one) of a reiteration of the one word, "Alleluia." When Heaven's Holy Kingdom Is At Hand, from "The Great Inheritance," Ward-Stephens. And I heard a great voice out of Heaven saying; "Behold, the tabernacle of God is with me, and he will dwell with them, and they shall be his people, and God shall be with them, and be their God, and God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying. Neither shall there be any more pain: for all these things are passed away, and in the place of sorrow shall be joy. And man shall walk uprightly in the land with his thoughts up to the glory of the Father, when Heaven's Holy Kingdom is at hand. There shall be no more death, neither sorrow, nor crying, when Heaven's Holy Kingdom is at hand." Grand Choeur in D Major, Guil-mant.

DISTRIBUTION OF FISH IS 1,056,700

The fish Commission today announced distribution of 1,056,700 fish of the various species and frogs from its hatcheries to waters of the Commonwealth during September. Distribution included 77,650 black bass from 2 to 5 inches in length, 190,605 bullhead catfish, 3 to 9 inches, 815 pickering averaging 14 inches in length, 447,950 bluegill sunfish, 1 to 3 inches, 288,200 frogs, embryo stage to 4 inches, 26,000 yellow perch having an average length of 3 inches, 20,160 brown trout averaging 8 inches, and 5320 brook trout averaging 8 inches. Heavy rainfall during the month raised most streams and greatly improved conditions for the heavy planting of fish and frogs.

TELLS HUNTERS TO REMEMBER LICENSE

As thousands of nimrods complete preparations for a season in the woods, the Department of Revenue issues a final reminder that a State hunting license is an important part of hunters' equipment. Licenses are available at the offices of all county treasurers and agents of the Department who are located in various parts of the State. More than half a million were distributed last month in anticipation of the heavy demand which has developed during the past few weeks.
