For the fourth consecutive year Mt. Joy High school tennis team has remained undefeated in the county and for the past two years has won the championship of the Intercounty Scholastic League in addition to the county title.

During these four years the team has won 39 team victories, lost three and tied three. The three defeats being administered by William Penn and John Harris High schools of Harrisburg. This year the team won eight matches and tied one. They won in the league 39 individual matches and lost three, finishing with a percentage of .929.

The team this year is composed of first man, Elias Lindemuth; runnerup in the Lancaster County Junior championship tournament; second man, Eugene Crider who is the present Lancaster County Boys' champion; third man, Henry Walters; fifth man, Howard Brown; sixth man, Lester Hostetter. The team is coached by Wilbur I. Beahm of the high school faculty.

The future prospects of the team are bright as only two members of the squad are lost by graduation, they are Walters and Hostetter. Lindemuth won two more years; Crider three; G. Brown and H. Brown each one. Several members of the Junior High School show promise of becoming players of sufficient ability to replace those lost by graduation.

The singles championship was won by Galen Schlosser, of Elizabethtown, who defeated his team-mate, Joe Eckinger in the finals 6-1, 6-4, 6-2. Schlosser of Elizabethtown, won all singles and doubles playing first position in singles. G. Brown, of Mt. Joy won an equal number of singles and doubles but he played third position on the Mount Joy team. Eckinger, of Elizabethtown, won all singles but lost one doubtless against Mount Joy. Lindemuth and Crider of Mount Joy, lost one singles each to the Elizabethtown number one and number two and Crider lost in one doubles match.
