Rural Residents Meet Hose Car Committee

At a meeting on Monday, July 22, many rural residents attended a very interesting meeting at the Fire House for the purpose of organizing, to put on a drive for not less than \$1500, throughout the rural districts that are getting Gardiner and twenty performing elefire protection from the Friendship Fire Co. of Mount Joy.

The following are the districts and their respective captains:

- District No. 1-Harrisburg Pike to Marietta Pike-David Witmer. No. 2-Marietta Pike to Chiques Creek-Ezra Engle.
 - No. 3-Chiques Creek to Harrisburg Pike-Wm. Strickler.
 - No. 4-Harrisburg Pike to Manheim Road-Amos Shelley.
 - No. 5-Manheim Road to Chiques Creek-Harvey Rettew.
 - No. 6-Chiques Creek to Harrisburg Pike-Blain O. Grosh.
 - No. 7-Florin (south of pike)-Jacob N. Hershey.
 - No. 8-Florin (north of pike)-O. K. Snyder.
 - No. 9-Sporting Hill-Paul Sumpman.
 - No. 10-Insurance Committee-Henry G. Carpenter.

At a later meeting the above Captains and their lieutenants are expecting to have final details for the soliciting of funds, prior to the campaign which starts the week of July 29th.

Friendship Fire Company No. 1

In appealing to the rural residents of Mount Joy for funds, to carry on the fine and efficient work of our Company, we present herewith an outline of ac- A MUSICAL BATTLE AT tivities and figures to better acquaint you with the operation of our fire company.

Prior to the year of 1934, the enormous cost of maintaining our fire company was sponsored by the citizens of Mount Joy Borough. It is a known fact waged between two of the foremost that all townships should make donations to the different Fire Companies, that are protecting those certain districts. Up until 1934 the Friendship Fire Com- Gretna, Sunday, August 4th, afterpany of Mount Joy has never received any contributions from any of our town- noon and evening. ships for the protection they were annually receiving.

The following is a list of donations received from townships starting with "Sylvania have stamped this contest as "The Battle of Music," between the

Within the last five years the Company has spent several thousands of dollars for supplies and equipment for the two trucks alone which included three sets of tires (4 to set), new wheels, new chemical tanks, new radiator, a new pump, new boots, rubber coats, hats, suction hose, etc. This does not include gasoline which amounts to about \$50.00 per annum, telephone service about \$30.00 per year, neither does it include the new $2\frac{1}{2}$ inch hose that recently cost the Borough \$500.00. Within the last few months our two trucks were out of service and it was necessary to go to Elmira, New York for the parts to have them replaced in the trucks, costing approximately \$200.00. Lubrication oil, valves, play pipes, washers, and chemical hose are many other items of expense that are incurred in keeping the fire trucks in top notch condition to meet the emergency that may be necessary.

Last year the Company had our siren connected to the telephone exchange so that there may be the least amount of delay in responding to any calls. This item of expense cost the fire company about \$75.00.

How to Call Our Company

Any person needing the company now, only has to call the Mt. Joy operator, tell her the location of the fire and she will sound the siren from her switch board.

Firemen Protected

It is also necessary to protect our firemen in case of injury or death, while assisting at a fire, therefore, they spend several hundred dollars annually for insurance covering our great body of firemen. So one can see that the cost of maintaining a Fire Company with many other items of expense not listed, is enormous.

Members Enjoy Fire Fighting

The members of the Friendship Fire Company are always on the alert and willing to answer an alarm of fire regardless of who the person is, where it is, or when it is.

It is not to be forgotten that many hours of sleep, and many hours of work are lost, and many suits of clothing and shoes are worthless after answering a fire call, and is a loss to the individual fireman, which is not resented only because he enjoys helping someone who is in distress.

Our Demand Increasing

It is true that the demand for our Company has not lessened, but has increased throughout the Rural Territory, and it does not seem fair that the citizens of Mount Joy should carry all the burden.

Our Record

1930-28 calls, 8 in town, 20 in country, chemicals used 437 gal., 21 in. hose laid 4800 ft., barns 5, houses 2, tobacco sheds 3.

1931-30 calls, 13 in town, 17 in country, chemicals used 423 gal., 22 in. hose laid 6250 ft., barns 8, houses 5, tobacco sheds 3.

1932-31 calls, 13 in town, 18 in country, chemicals used 275 gal., 21 in. hose laid 7250 ft., barns 5, houses 3, tobacco sheds 2, miles traveled 102

1933-41 calls, 20 in town, 21 in country, chemicals used 648 gal., 21 in. ho laid 6500 ft., barns 9, houses 2, tobacco sheds 4, miles traveled 133

1934-41 calls, 25 in town, 16 in country, chemicals used 470 gal., 21 in. hose laid 2750 ft., barns 3, houses 2, tobacco sheds 1, miles traveled 105.

1935 to date-23 calls, 12 in town, 11 in country, chemicals used 250 gal., 21 in. hose laid 4900 ft., barns 3, houses 3, tobacco sheds 2, miles traveled 65.

Solicit Your Support

So that we can continue to administer to the wants of those, in distress in a more efficient manner, we are soliciting your support. We hope you understand our needs fully, and would like you to make your contribution as liberal as your circumstances will permit. All funds received will be used to equip our new Truck, and possibly help make alternations at the fire house to have the truck properly housed.

COMMITTEE
