Redefining Success

LEONARD A. BARRETT for success is good fortune, pros-

ness man is a success or not

success or not depends upon his annual balance sheet. In other words the popular mind thinks of success in terms of economic and social values. Those whose names are registered in "Who's Who" are regarded as a success because a reputation meritage.

tributed for investment purposes the one who refused to use the one lumbia Turnpike, south eighty-five talent he had was condemned. talent he had was condemned. True success always reflects moral hundred and twenty-four feet to

the place of beginning.
The success are all values. Honesty, integrity and thoroughness as well as lose to are among the traits four and one-half perches of land, well as lovelty are among the traits of character upon which real success depends. Shakespeare said, "Didst thou

never hear that things ill got had ever bad success?" In many small communities a

a greater success than his colleague hereby granted premises.

Together with the right to use the who is located in a large city with professional people. The business man in a small community may be more of a success than the head of a large industry in a big city. Success is always relative. In the final analysis it is self realization, the favorable termination of a work begun, the expression of one's best efforts in an activity which he loves are forted in the case of the Lancaster-Enzabethtown and Middletown Turnpike; thence along the same. North fifty-nine along the same. North 83 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and one-half degrees. West, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and one-half degrees. West, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and one-half degrees West, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and one-half degrees West, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to a post; and Morth 8 and ½ degrees East, 42.8 perches to efforts in an activity which he loves and for which he is best fitted. property of J. Erwin Gnagey, with There is no short cut to success. Genius is not inspiration, but perspiration," said Thomas A. Ed-So with success. It must be toiled for. It is not an incident of mere chance. Not so much a matter of opportunity as of perseverance. We cannot command success but we can deserve it by to wit doing to the best of our ability the thing for which we are best adapted. In these days of artificial val-

We lichty; thence by said Lichty's land all know, however, that it is quite the following four courses and dispossible to acquire a reputation tances, North seven and one-half without achieving success.

Perhaps there is another idea of success which does not reflect this popular notion. Every man who is capable of doing something is a success if he expresses to the best of his ability the talent which he possesses. The world's greatest Teacher illustrated this in the form of a parable. Talents were distributed for investment purposes east, three hundred and forty-sever and later a reckoning was demand-ed. The one who received many talents received the same reward as pike; thence along said north did the one of lesser number; but boundary of the Lancaster and Co-
