Florin Man Is Freed Of Trespassing

HAROLD WOLFE DECLARED INNOCENT BUT HE AND JNO D. EASTON WERE DIRECTED TO PAY THEIR OWN WITNESSES

Harold Wolfe, Florin, who was brought into court on a charge of driving a truck over post holes when a neighbor wanted to build a fence there, was declared innocent by Judge O. S. Schaeffer but was directed to pay the costs of his own witnesses.

Wolfe and the prosecutor, John D. Easton, of Florin, appeared at a hearing three weeks ago at which the latter charged Wolfe with trespass. Easton was directed to pay his witness costs.

The court's opinion asserted that since Easton leased the premises in question to F. F. Doerster, the landlord cannot alter the premises unless the tenant consents. A new fence is an alteration and not a repairing job, the court ruled.

Charles Weaver and G. W. Swords, of Florin, testified at the hearing that twice when they sought to erect a post Wolfe's truck was parked in such a way to prevent them.

The court further ruled that crossing the Easton land, as Wolfe is alleged to have done, was not a willful act but that if Wolfe continues to cross against the owner's wishes, his act may be considered "willful and intentional."

ERECTED LIGHTED PILLARS AT BORO PARK ENTRANCE

Our boro park on North Market Street is continually being beautified. Tuesday, two large stone pillars were erected at the entrance, one on either side of the walk, leading into the park, off Market Street.

Each pillar is topped by a hand-made wrought iron and glass lamp, made by Mr. Robert Hostetter, teacher of Industrial Arts at our local high school.

Each lamp stands on a base of four decorative black iron bands and the lamps are four-sided, enclosed in frosted glass.

Such a meagre description does not do them justice for they must be seen to be appreciated.

Every little bit helps so let us keep up the good work.

TO THE RESIDENTS OF MT. JOY TOWNSHIP

Several weeks ago there was a barn fire on the Clayton Risser farm, near Risser's Church. Several people of the township were under the impression that the Mount Joy Fire Company was called and refused to respond. This is not correct. We saw the fire and were waiting for a call but did not receive any. Some one put in a call for the Mount Joy company but the call never got to the fire house.

At any time you need any assistance from the Mt. Joy Fire Company we will be glad to come and help you. Just ask for the Mount Joy operator. Tell her you want to report a fire and she will notify the Company.

We hope that this will clear the rumor in Mount Joy Township, and hope to be of service to the community.

From Mt. Joy To Dallas Texas, On His Bicycle

Kenneth Leiberher Made Trip In 17 Days

The above photograph is of Kenneth Leiberher, son of Mr. and Mrs. Fred Leiberher, Donegal Street Mt. Joy. He will graduate from our local high school with the class of 1937.

He has carried papers for the Harrisburg Telegraph for 12 years. Thus earning expense money for his summer bicycle tours of the United States.

"Ken," at this writing, is pedaling his way home from Dallas, Texas, where he visited the Exposition. Leaving Mount Joy on June 29th, with a few sandwiches, money and a bicycle between him and the elements, Ken cycled to Dallas, Texas, in seventeen days. In our opinion that's "making knots." He averaged 100 or more miles a day, in temperatures varying from normal to 110 degrees in the shade, took the mountains as they came, saw the sights as he came upon them and in his own words "kept everything under control."
