until you "LIGHT CONDITION" your home

* Light-Conditioning is the term used for today's modern Lighting . . . which means sufficient safe-seeing, sight-saving light to not only protect and safeguard the eyes, but properly shaded and directed to add new, alluring beauty to the home.

It's so simple, too, to have your home LIGHT CONDITIONED . . if you use American-made Mazda Lamp Bulbs of sufficient wattage in every socket . . . and have plenty of LIGHT in every room.

You can have your lighting measured free of charge and get practical advice about Light-Conditioning your home by phoning us now.
