## FIRST ANNUAL LANCASTER COUNTY CORN HUSKING CONTEST

To Be Held On FRIDAY, OCTOBER 22nd

On the Roy Hoffman Farm, 1/2 Mile South of Mount Joy

Eliminations—10:00 A. M.      Final Contest 1:00 P. M.

### GENERAL RULES

- ELIGIBILITY—Entries in this contest will be limited to Lancaster County farmers and their regular employees.
- TIME—80 minutes for final contest. Time out will be granted only for emergencies and never for accidents to a husker's personal equipment.
- EQUIPMENT—Wagons with standard double boxes and as uniform in height as possible and drawn by tractors or horses, if wet weather, will be furnished for each husker. Bank boards shall extend approximately 36 inches above the top of double boxes.
- DISTRIBUTION OF EQUIPMENT AND PLOTS—All wagons and plots to be husked will be numbered and their distribution to contestants will be by drawing lots.
- HUSKING—Each contestant will husk two rows at a time. Contestants are required to take all the corn on these two rows even though some of the stalks lean over into adjoining rows. The gleaners will glean only the two rows being husked. If a husker persists in robbing a third row, the officials, if they see fit, can disqualify or penalize him.
- DRIVERS—The driver of each tractor or horse will be under the husker's direction and shall keep the wagon at such distance from contestant as will be of the greatest help to the husker.
- COACHING—Coaching by husker's friends will not be permitted. Attempts to "rattle" a husker will not be tolerated by officials. Straightening out stalks ahead of a husker will not be permitted. Judges, at their discretion, may disqualify a husker whose friends disregard this rule.

### PENALTIES

- GLEANINGS—For each pound of merchantable corn left by the husker on the two rows he is husking, or which misses the wagon, or is left lying on the ground between his two rows, the husker will be docked 3 pounds. Example: if his gleanings weigh 10 pounds, 30 pounds will be deducted. Gleaners will pick up all loose corn which the husker leaves and all corn that misses the wagon, and will pick and husk all corn the husker leaves on the two rows being covered, including nubbins and moldy corn. These gleanings will be sorted by the gleanings judge who will throw out ears which, in his judgment, no husker would pick and which he considers non-merchantable. No gleaning will be done on turns, but huskers may husk as they please while wagon is turning.
- CLEANLINESS OF HUSKING—All husks shall be removed in so far as possible. Each contestant will be allowed a maximum tolerance of 3 ounces of husks to 100 pounds of corn. For each additional ounce of husks 5 per cent will be deducted from the total weight of corn husked.

### PRIZES

No contestant shall be eligible for a prize unless he continues husking the entire 80 minute period of the final contest.  
The winner will be determined by adding deductions for ears missed and for excess husks and subtracting this total from the gross weight of corn husked by each contestant.  
Winners of the final contest will be awarded the following prizes:  
First prize, \$15.00; second, \$7.00; third, \$5.00; fourth, \$4.00; fifth and sixth, \$3.00 each; seventh to fifteenth, \$2.00 each.

### ELIMINATION TRIALS

Owing to the number of applicants the number of entries in the final contest will be limited to the fifteen highest scoring huskers in the elimination trials. Contestants are requested to report on the field at 10:00 A. M. for trial husking.

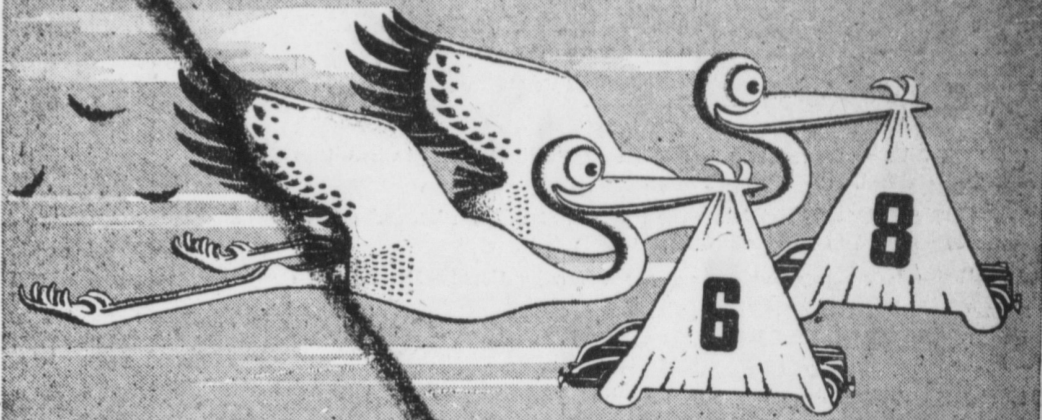

- TIME—8 MINUTES: Each contestant shall be given a trial period of 8 minutes during which time he shall have an opportunity to demonstrate his ability by the number of ears he is capable of husking in that time.
- SCORE—Scores in the elimination contest will be by count of the number of ears husked.
- PENALTIES—Two ears will be deducted for each one missed in the elimination trials. Three per cent of the total count will be deducted for each extra ounce of husks left on corn above the 3 ounce tolerance permitted by the rules of the final contest.
- AWARDS—The fifteen contestants scoring highest in the elimination trials will complete in the final contest beginning at 1:00 P. M. A special prize will be awarded to the husker who husks the largest number of ears in the official period during the elimination trials.
