INSIDE DOPE

There'll soon be much hullabaloo about a gigantic TVA-like project in Wisconsin. The plan, fathered by Gov. Phil La Follette, proposes three great hydrodams on the Wisconsin River, a huge artificial lake (probably to be dubbed "Lake La Follette") in Central Wisconsin, revival of navigation between Lake Michigan and the Mississippi, and large-scale flood control.

Announcement
A food sale will be held at Booth's Store, Saturday, October 1st, by the God's Helpers Sunday School Class of the United Brethren Church.

Pies, cakes, cup cakes, candy, potato salad, baked beans, etc., will be for sale.
