## Judge Atlee Cleared Way For Appeal

Judge Atlee cleared the way for an appeal of two county brothers from a verdict of \$285.10 won against them by Harry C. Hess, of this city, after an auto accident.

The defendants, Martin Mumma, Mt. Joy R. D. 3, and L. R. Mumma, Elizabethtown, showed that they could not appeal because judgement had already been entered for the verdict. The court ordered the judgment entered on March 9 stricken off, and ordered the Prothonotary to enter judgment as of the day the opinion came down.

The accident occurred at Keller avenue and the Fruitville pike, between Hess' car and a truck owned by L. R. Mumma, driven by his brother.

In a previous opinion, a new trial here was denied.

## A Successful Season For The Gunners

One of the most successful hunting seasons in years opened in Penna. Monday. There is an abundance of game, plenty of cover and both gunner and game are having their trouble.

In this locality the hunters were quite successful, many bagging the limit.

The work of the sportsmen's clubs throught this section is quite evident. The restocking of birds and rabbits has had a tendency toward more game on heretofore gameless lands.

There are more farms trespasses this year than usual but this is a condition rather difficult to overcome unless the careless and reckless gunner comes to his own.
