### LADIES APPAREL SHOP CHANGES LOCATION

Miss M. K. Shelly has moved her ladies apparel shop from the Schock property at 41 East Main street, to the large store room in the Baker property adjoining the Acme store. Miss Shelly conducted a millinery and apparel shop at the former location for the past eighteen years. Her present location gives her a great deal more floor space for display.

### NEW LOW COST AUTOMOBILE MAKES ITS APPEARANCE

A new low cost automobile ten feet long and four and a half feet high, made its bow at Indianapolis Friday.

The two-cylinder vehicle, which has top speed of approximately 50 miles an hour, was christened at the Indianapolis motor speedway by Lewis L. Hommedieu Crosley, grandson of Powell Crosley Jr., Cincinnati manufacturer of the new car. An estimated crowd of 2,000 persons, including Crosley wholesalers and automotive industry leaders, saw the new creation roll around the two-and-a-half mile brick and asphalt oval.

Crosley said the car would be manufactured at Crosley plants in Cincinnati and Richmond, Ind., with the latter as shipping point. Production will start immediately. The vehicle weighs 925 pounds and has three speeds forward, four-wheel brakes, safety glass and a one-man top. The gasoline tank holds four gallons, but engineers said the car would get approximately 50 miles to a gallon.
