Oh, No?

OWL LAFFS TRIM ACCIDENT TOLL LOCAL DEALER URGES

when tire failures may be the beshouted: "Hey, wait' till I get my tire sets which we are offer- the kitchen. clothes on." All the passengers ing," Mr. Grissinger continued. Then in plops a letter frum cousin craned their necks out the window "Largest per-centage of tire replace-Liz frum Marietter. Sez she, "Min, to stare and the lady lifted a laundry ment is either for two or four tires, how about comin' up fer a spell.. bag onto the bus. They seldom for one or three he point-we'z goin'a have a outdoor social sure were disappointed.

of a lady down Manheim way who rather than just one, which is us-not... a body gotta be in circulation calls herself a suburban dressmaker ually all they can afford, if they'er even your relatives starts fer-Why?....Because she works buy a good grade tire made by a gettin' you. So I started in thinkon the outskirts. Aren't I a smart recognized manufacturer.

Clyde Fenstermacher asked Cappy people who are watchful of their then I thought. (I'll make 'em one Mumma why they put the phone budgets and who want at the same of my grand up standin' cakes. wires on such high poles and when time to buy tested merchandise every body raves over how high'n The Gretia Players Cappy didn't know ,Clyde supplied: That's why the Marathon's record is grand they gets'n I'll icin' it all "To keep up the conversation, of worth considering. course.'

they can spare stop by the tire shop costs nothing and is good safety pre-Tuesday'n I got busy bakin'. Every-famous Aldrich family, around and give them to Mel Weaver. He caution to take. We'll be pleased thing went grand... I wuz that which revolves one of the most was painting the fancy work at the to look over tires for wheel align-happy I got to singin' all them old popular daily broadcasts on the air. day and accidentally spilled his car to insure getting the most miles out sorta warbled'n I wuz reachin' all ran for over a year on Broadway of nile green paint. Now, the maca- of tires, as well as to point out which them highs jest grand. I plops the made Ezra Stone a star, and rocketdam approach is green instead of grey as originally planned.

Did you know that blondes weigh THE LOW DOWN less than brunettes because blondes have a lighter complexion?

Which reminds us of an argumen we heard about which is the lighte: a half or a full moon. Sixty contended that naturally the half moor was the lighter of the two, bu Beamy says he's all wrong. ... The full moon is twice as light...... think there's room for argumen

One of the boys asked how you go Heagy answered: "Aw, it's just like fighting with your wife, one word leads to another.

Watching a farmer south of town billion is a white elephant. every time anyone mentions tobacco, he has to laugh about an incident that happened last year just before tobacco cutting time.

He was in the field, topping tobacco when a car of lady tourists from out of the state, stopped and asked him what crop was planted in that field. He courteously replied: "These are tobacco plants in full bloom." And one young lady anxiously remarked: "How interesting! And how scon will the cigars be ripe?"

a pretty girl, you stop; then you your signals mixed, if you value your health.

"I'll drive," remarked the wife ence with laughter. Jake and the wind! I feel fierce! And how!!

. We just learned of an old maid in town who writes letters to herself and puts then in her mailbox as de-

While out in the mountains on To the final round of the Scranton Sunday I met a boy of about fifteen Tennis Club junior championships who took size 13 shoes. Kidding Sunday when he downed Holmes him, I asked: "How do you account Cathall, of Scranton, 8-6, 8-6. for the fact that you have such big Seeded number two, Zink had adfect....heredity or environment?" vanced to the semi-final round by The lad had probably been kidded drawing a bye and obtaining a about his pedal extremeties before default. The final round will be played cause he answered: "Environment. You see, I was raised in the foot- next Sunday afternoon at two hills.".....Next time I'll mind o'clock at Scranton. my own business. "My Reputation's Gone An' I Sure Feel Fierce!"

Lota'a things has happended to cans under all types of driving, me in my life...but I guess I pretty declares Mr. Grissinger, local Good- It come about so innocent-like, too! near had my worst luck this week!

There I wuz sittin' in my kitchen has piled up billions of highway niles proving itself an entirely with all my bakin' stuff in. Thinks I, lookin' up at my kitchen cupboard Min, it'd be a awful good idea fer large percentage of the middle-class you to put all those different things group of Americans is thinking like corn starch'n icin' sugar'n bakgroup of Americans is thinking about a tr.p, or about putting new handy little glass jars....bein' all against accidents in Summer traffic alike they'd look awful nice when tire failures may be the besettin' in a row on that shelf.

There sure was plenty of ex-ginning of a great deal of trouble. Well, I felt kind'a active, so I up citement on the Lancaster bus when "Opportunity to spread the appliant got all the stuff sorted out'n it stopped at Rohrerstown on Mon-cation of new tires to older cars with put it back in a row'n it jest lookday......A lady was about to step an attractive proposition is pro- ed awful tidy'n neat. I always did on when the bus started and she vided in the two and four - have a hankerin' fer law'n order in
