EQUIPMENT**

**AT
PRICES AS LOW AS THE REST**

Chicks hatched from eggs which are rich in all of the health-giving, body-building vitamins needed for extra vigor and vitality are assured you when you buy from well-known dependable hatcheries.

You can make the raising of chicks a profitable undertaking only if you give them the proper care and feed.

You'll insure sturdy development and rapid growth when you buy the balanced feeds advertised by these dealers. They contain all of the necessary vitamins for your chicks. Previous records show their dependability.

PURINA STARTENA!**

Those baby chicks of yours, too, deserve to get off to a flying start. Give them every chance to live and grow by giving them Purina Chick Startena. In Purina Startena you get an improved starting feed, a feed that during 11 months of the past year has given 10.33% greater growth than Startena did in 1939, in tests at the Purina Farm. Records also show that 99 out of every 100 chicks started lived to 6 weeks of age! Think what this can mean to your chicks!

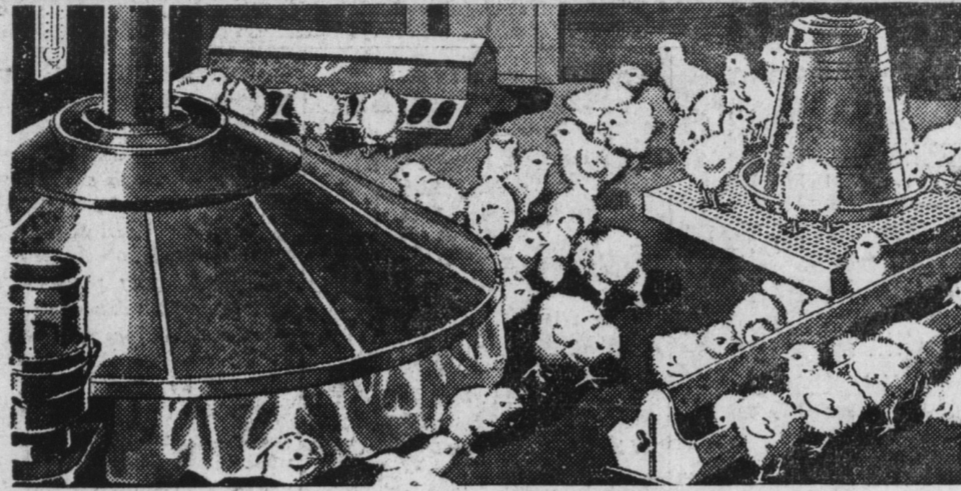

Come in—Make Leedom's your headquarters for Purina chick needs

IMPROVED RED CLOVER
Farmers who wish to be more sure of a good crop of red clover in 1942 and who wish to get maximum yields of hay can now sow certain strains of medium red clover. Those from Berks, Lancaster, Franklin and Indiana counties have given consistent increases in yield of hay in tests at the Pennsylvania State College.

B. L. KEENER
R. D. 1 Elizabethtown, Pa.

These farmers have talked it over and both agree that whatever they need for raising a good brood of chicks, is here at attractive prices. These advertised products are big money savers for the poultry raisers.

**MEETING FOR POULTRYMEN
AT PAUL GARBER'S FRIDAY
WILL BE RETURNED**

As interesting poultry meeting will be held at the farm of Paul Garber, near Elizabethtown, Friday afternoon, March 6th, at 2 o'clock.

C. O. Dossin, Poultry Extension Department, State College, will discuss early care and feeding of chicks. Fred Grau, also from State College, will discuss the value of a good poultry range and cutting feed costs for producing better birds. These discussions will be illustrated by pictures in natural color.

**PATRONAGE DIVIDEND
WILL BE RETURNED**

A patronage dividend, representing 3.4 per cent, and totaling \$52,000 will be returned Apr. 15 to the more than 4,000 active members of the Eastern States Farmers Exchange in Lancaster county, J. R. Myers, of Landisville, field representative in this area, announced a few days ago. He reported total purchases through the cooperative in 1941 exceeded \$1,500,000 in this county.

4-H VICTORY PROGRAM

4-H Club members will help increase the production of the products asked for by "Uncle Sam," according to State 4-H Club Leaders. 4-H pig club members will be urged to fatten two or more pigs this year, and others will take over the home garden. More baby chicks will be reared by 4-H Clubs, and clubs will help alleviate the labor shortage wherever it may occur.

**FOLKS IN BRITAIN SURE
MUST BE VERY HUNGRY**

From reports such as these it appears the war is "beginning to tell" on people in Britain. Meat must be scarce in London and as a substitute they are eating sparrows, starlings, crows, larks, curlews and even swan. Sparrows sell from 12 to 20 cents each, larks 10c and starling 7c. Crows bring 15 cents.

VICTORY 4-H CLUBS

The 4-H boys and girls of one county in Pennsylvania have adopted this slogan, "Produce, Process and Preserve Farm Products for Victory." In another county the 4-H Club members have pledged their support and are all set to go on the scrap iron campaign set up by their County War Board. The club leaders are working with the members on a farm-to-farm collection of scrap metal, according to 4-H Club leaders.

Lion's Club

(From Page 1)

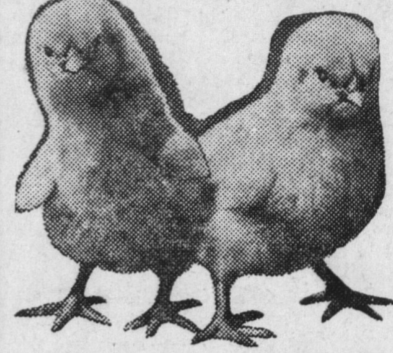

tee chairmen were appointed: J. Miller Eshleman, Charter Night; Edward J. Myers, finance; George J. Miller, by-laws; Phares Stehman, membership.

Charter memberships in the organization will be limited to twenty men. The next meeting will be held at 7 p. m. today, in the fire house.

Assisting in the organization were Ezra Moyer, of Pottsville; District Governor Lewis Callahan; Past District Governor James F. Barr, Deputy District Governor Sanders McCoskey, and these members of the Quarryville Club: President David Eshbach, Louis M. Chance, Earle Emery, Frank P. Forbes, J. Earl Newschwager, and Rev. George H. Shea.

GIVE HORSES GOOD CARE

Horses and mules can do twice as much work as they are expected to do if they are well fed, properly conditioned, and work is intelligently arranged for them, according to Penn State livestock extension specialists.
