THE EDITOR'S VOICE

Just because one man was fired (and for a mighty good reason) the employees of the Western Cartridge Company at East Alton, Ill. went on a strike. The Governor, anticipating trouble, called out 12 companies of militia. This plant is producing arms for the Government.

FALL WEEK ENDS

Other years past it was found there as no season quite as popular for a week-end trip through the country as in the fall. Autumn has been conducive to travel, with that added something in the air that urges you to seek the open for a ramble, a wicker chair or a blanket.

DOCTORS WORK OVERTIME

The most serious problem faced by the medical profession today lies in the vast numbers of doctors who are being called to service with the armed forces. It is the government's policy that American fighting men must be given the finest medical care possible, and doctors are joining up by the thousands.

BETTER PARENTS

There is an observance in this country each year that is known as Better Parenthood Week, and though it is a comparatively new innovation it has met with success in furthering understanding in many neighborhoods between children and
