I ly for housewives, however, there the manufacturers have developed can't sit down. The shoes are so is a time-tested alternate for butter, alternates which also help to solve big I turned around three times and they didn't move. And what a rain containing 9000 units of vitamin A bright, but consumers can get paint coat it strained the rain. I passed per pound, is being widely used as if they want it. the officer all dressed up with what are you kicking about, look what they gave me."

I landed in camp with \$75. In ten minutes I was broke. I never saw so many 3's and 12's on a pair of dice. No matter what I did I went broke. Something went wrong even in cards. One time I got 5 aces and I was afraid to bet, good thing I didn't for the fellow next to me had 6 kings finally I said. "This is a crazy poker game." The fellow next to me said "We're playing Pinochle. Everthing is crazy. If you were a livery hand you were put in the Medical Division. If you were a watchman your were made Officer of the Day. I saw a guy with a wooden leg and asked him what he was doing in the army. He said "I'm going to mash the potatoes." Oh, it was nice 5 below zero one morning and they called us out for underwear inspection. You talk about scenery red flannels, E. V. D's all kinds. The union suit I had on would fit Tony Galento. The Lieut, lined us up and told me to stand up. I said I am standing up, this underwear makes you think I'm sitting down. He got so mad he put me digging ditches A little while later he passed and said, "Don't throw the dirt up here." I said, "Where am I going to throw it?" He said, "Dig another hole and throw it in there." By that time I was pretty mad, so another things American scene—the inveterate angler sits beside a Pennsylvania stream free to ponder over a philosophy of his own making. The fishing pole—bucket—suspenders—rolled-up sleeves—these are things American. guy named Jones and myself drank

a quart of Whiskey. Finally Jones knew they'd lose it." "Its been see any of it. He said, "Where of acted so funny I ran to the doctor hanging out ever since we left New you want to go? And I said, "Any and told him Jones was going blind. York." We had a life boat drill where its warm." So he told me and I told him. So he asked me if and when the boat was being low- where to go. Five o'clock and we Jones saw Pink Elephants I said no ered over side of the ship it spilled went over the top. Ten thousan

that's the trouble they're there all some men into the water. Only the Japs came at us, but they all looked right, but he doesn't see them. Second Lieut. gave orders to pull at me as though I had started th Three days later we sailed for the men out of the water by the war. Our captain yelled, "Fire as Australia. Marching down the hair of their heads. I was strug- will," but I didn't know which was pier I had some more bad luck. I gling with one man when a fellow Will. I guess the fellow behind me had a sergeant who stuttered and with a bald head yelled, "Pull me thought I was Will. He fired his it took him too long to say "Halt" out" I said, "Go down and come up gun and shot me in the excitement

that 27 of us marched overboard, the right way."

they pulled us out and the Capt. Well we landed in Australia and ed a fellow where they were takcame along and said, "Fall in." I were immediately sent to the tran- ing me. He said "You're going to said, "I've just been in." I was on ches. After 3 nights in the trenches the morgue." "There's some misthe boat 12 days seasick all the time, the cannons started to roar, and the take, I'm not dead," I said, and he Nothing going down everything shells started to fall. I started shak- yelled, "Lie down, do you want to coming up. I leaned over the rail-ing with Patriotism I tried to hide make a fool out of the doctor." ing all the time. In the middle of behind a tree, but there weren't Finally a pretty nurse came in and my best leans the Capt. rushed up enough trees for the officers. The said "Move over." Oh that's another and said, "What company are you Captain came around and said "5 story. in?" I said, "I'm all by myself." o'clock we go over the top." I said, Talk about your dumb people. I "I'd like a furlough." He said, "Don't said to one of the fellows, "I guess you have no red blood in you?" I Stimulate your business by adverwe dropped anchor." He said, "I answered yes, but I don't want to fising in the Bulletin.
