Autoist Claims Child Ran Into Side Of His Car

Mr. Horace Raymond Swarmer, formerly of Baltimore, Md., now residing at 111 W. Walnut St., Marietta, and who is a Guard at the Marietta Project, reported to Officer Zerphey that while he was driving toward Marietta, on Marietta Ave., Mt. Joy, at 2:50 P. M. Thursday afternoon, Charles Bowman Miller, aged four years, ran into the side of his car.

Dr. W. M. Workman removed the child to the General Hospital, where he was discharged by Dr. Atlee on Tuesday and taken to his home in Hershey.

The child is a son of Mr. and Mrs. Charles H. Miller, of Hershey.

SPECIAL MEETING OF B. & L.

A special meeting of the Mount Joy Building and Loan Association was called last Friday evening for the purpose of considering several applications.

Four applications were presented and approved at this time. The regular monthly meeting was held last night.

Fire Company Nominates Officers

Friendship Fire Company met in regular monthly session last Thursday evening with forty-two members in attendance.

An important feature of the meeting was the plans made by the company for the Victory Scrap Drive to be made on Saturday, November 14th. All monies derived from this campaign will be given to the Fire Company to help pay the indebtedness on the new fire engine.

The entertainment committee turned over \$38.03 as their total profit for the month.

The ticket committee reported good success in the sale of Victory Bond tickets.

The company rejoined the National Fire Protection Association and will receive the association magazine.

The uniforms of the company will be cleaned by J. G. Eicherly. (Turn to Page 5)

All New Farm Machinery Frozen Effective Nov. 1

All new farm machinery and equipment except repair parts have been frozen as of November 1 under Temporary Rationing Order B announced by Secretary of Agriculture Claude R. Wickard, according to James E. Walker, Chairman of the USDA State War Board for Pennsylvania. The order will remain in effect until state and county quotas are established as a basis for a permanent rationing order.

The freeze order covers two main types of farm machinery. The first—Schedule I—includes most of the heavier labor-saving machinery which are important as a result of the farm labor shortage. Dealers, distributors, and manufacturers, under the freeze order, may not sell or transfer any of the 144 items listed in this schedule.

The second—Schedule II—includes miscellaneous items of farm machinery and equipment, generally requiring less metal in manufacture. The order will stop transfer (Turn to page 3)

CARD PARTY TONIGHT

Registration Of Tires On Nov. 19-20

Motorists from ten Central Pennsylvania counties, including Lancaster county, will register their tires on November 19th and 20th, with the exception of Columbia and Lancaster city.

At the same time the rationing officials were told that the supply of tires to be rationed is growing smaller.

At registration centers, motorists will list serial numbers on every tire owned by themselves or family members. Passenger car owners with more than five tires for each vehicle are required to dispose of the excess tires by November 21. They may be sold to the government through Railway Express offices, it was pointed out.

VETERAN HUNTERS RECEIVE LICENSES

Three veteran hunters have applied and have received hunting licenses this season in the county treasurer's Office. Officials said they are the oldest men to apply for licenses for the past several years.

The men are: Samuel Adams, Negro, ninety-eight, Landisville; Samuel Walker, eighty-three, Lancaster R. 5, and John M. Sweigart, eighty-three, Elizabethtown R. 1.

Asks Men Over 65 To Help On Penna. Farms

State Secretary of Agriculture, John H. Light, has asked Pennsylvania men over 63 years of age to ease the farm labor shortage by volunteering their services.

"Pointing out that no source of farm labor can be overlooked," Light said, "they could contribute greatly to the solution of the problem" even though they cannot be expected to carry a great portion of the tremendous load."

His comment followed appeals sent to 72,000 Pennsylvanians over 65 now receiving Federal old age insurance to enlist in farm labor ranks wherever possible.

The Department of Public Assistance said it has been "giving every encouragement" to the physically qualified of the 96,500 persons over 65 now obtaining State assistance.

H. Raymond Mason, State employment director, added that persons receiving old age assistance would not lose the income if they obtained farm jobs since agriculture is exempt from Social Security provisions.

Ev'rybody Ev'ry Pay Day 6,000,000 Women Enrolled in War Savings Payroll Plan.

WASHINGTON, D. C.—Women At War Week, opening Nov. 22, during which women will seek to sell the greatest single week's volume of War Bonds and Stamps will serve to put the spotlight on the mighty contribution women generally are making toward financing the war.

Six million women are on War Savings payroll plans. Their monthly deductions total \$70,000,000.

The customers of 300,000 newspaper boys who have sold more than \$50,000,000 in War Bonds and Stamps are mostly women.

Volunteer saleswomen run nearly all the Bond booths in theatres from Maine to California. They also are sparking the War Bond sales in retail stores.

Ralph C. Engelsman, Associate Field Director of the payroll savings section of the War Savings Staff, readily admits that without the support of women the phenomenal record of payroll savings enrollments would not have been achieved. Payroll savings plans are now in operation in 148,000 businesses and factories. Employees of twenty-five thousand of these firms are converting at least 10 percent of gross payrolls into War Bonds every payday.

Associate Field Director Engelsman says that women have contributed directly and indirectly toward this record. When a man devoted 10 or more percent of his pay envelope to War bonds, the woman at home has had a powerful voice in the decision. Her planning, her economies to her cheerfulness play their part in the success of payroll savings.

The Treasury Department is counting upon this woman influence in its current campaign to "top that 10 percent by New Year's." By the first of the year the Treasury hopes to enroll at least 3,000,000 women workers in a payroll savings plan.

Home Nursing Class Organized Monday Night

An organization meeting of the Red Cross Home Nursing course was held in the High School on Monday evening.

An explanation of the various phases of the work was given by Mrs. Ralph Walters, the instructor. Twelve two hour classes, a total of twenty-four hours work, with passing grades are required to receive the Home Nursing certificate.

With present conditions demanding the services of doctors and nurses it is vitally important that more women are capable of tending the members of their own family, or helping their neighbor, in time of illness that does not require regular professional care.

The practical knowledge gained through this course is well worth the small amount of time necessary to acquire it. You owe it to yourself, your family and your country to prepare for emergencies. Classes start next Wednesday, you can still enroll.
