HERE are a few of the ways in which a bank and a farm resemble each other:

1 - They are both business enterprises; each is typical of the "American Way." 2 - Both require initiative, planning and hard work to

achieve success. 3 - Both pay taxes and contribute to

local growth and progress. 4 - Both have deep local roots; the success of each is important to the other and the prosperity of both is vital to the entire com

We feel a close bond of friendship and mutual interest with the farms in this area. If we can help you in any way, let us know.
