purchaser of a second-hand truck servance," said Martin. reports the thing is done in West Virginia. A farm truck was offered for sale at auction and the price Thanksgiving Day in Pennsylvania was bid up to the OPA ceiling of for the year 1944." \$875. The owner wasn't satisfied with this figure so the resourceful with this figure so the resourceful auctioneer said, "Let's put a cow in C. of C. To the truck and let the boys bid on the truck and cow together." This heat little trick resulted in a sale Hold Outdoor price of \$1,400 for the truck and cow and it is reliably estimated that Meeting "Bossy" wasn't worth much over \$100-

In Maryland they do it with hay akes. By simply combining the the sale of a motor vehicle with a hay rake, the seller was able to get several hundred dollars more for his truck than the OPA law allows.
