Religious News In This Community

NEWS PERTAINING TO ALL THE CHURCHES IN MT. JOY AND THE ENTIRE SURROUNDING COMMUNITY.

Church attendance is not a matter of convenience. It is a moral necessity. If you want to live a good and useful life, you cannot do without the inspiration and help of the hour of worship each week. The person who does not associate with other Christians in worship and fellowship will not continue to be interested in spiritual truth and moral goodness very long.

The Church has a message for every one. It is the message of life at its very best. Jesus said, "I am come that they might have life, and that they might have it more abundantly." Attendance at the services of the Church will help you keep your eyes fixed upon Jesus Christ, who is the only Saviour, and the only safe guide.

Edgar A. Guest, writer and poet, gives his reasons for going to Church in the following lines: "I go to Church because I want my children to go to Church. I want them to know something more of this life than business, sport, and selfish amusement. I know only one institution that will teach them that they are divine. The Church may interfere with their pleasure at times, but all things that are worth while demand something of us in sacrifice. I go to Church, and help support it, not only because I think the Church needs me, but because I need it. It exists not only on dollars, but on men and women. It has been my source of inspiration and strength and comfort."

Come to Church this Sunday and every Sunday. You will be helped by it, and you will help the Church carry out its great life-giving mission.
