To the American Farmer

goes credit for helping to build a great nation

Someone recently defined democracy as being "liberty and groceries"—and the more you think about it the truer it becomes.

This is the farmer, the producer of our food, one of the greatest bulwarks of our great democracy. Working hand in hand with him are banks all over the land, helping him to produce and market his products so that we might go on living in a free and prosperous country.

First National BANK & TRUST CO. MOUNT JOY, PA. MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

Trustees reported contacting the Dry Cleaners and that uniforms will be cleaned and returned shortly. Ray Myers reported compensation received by Robert Kunkle and Abram Geltmacher. Two new members were received into the Company, Richard Latchford, and John Myers. There is no better way to boost your business than by local newspaper advertising. Subscribe for the Bulletin.
