The subscription lists of three other newspapers, the Mount Joy Star and News, the Landisville Vigil and the Florin News were merged with the Bulletin, which makes this paper's circulation practically double that of the average weekly.
Entered at the Postoffice at Mount Joy, Pa., as second-class mail matter under the Act of March 3, 1879.

THE EDITOR'S VOICE

Ephrata High School, its second year in football under the lights, is highly pleased. A report from the school board there says the receipts from home games will reach \$3,800. Elizabethtown High with its first season under the lights, also had a very successful financial season. Here's Mount Joy High without even a team. Can't we wake up?

AN EXCELLENT IDEA
Ephrata boro passed an ordinance creating a town planning commission of five private citizens to be named by council and to serve from 1 to 5 years, respectively. The commission has the power to plan topography for the boro and within a radius of three miles thereof. This is an excellent idea and should be adopted by other boros.

"Free competition tends to restore quickly equilibrium in the economy. Paralysis and stalemata are caused by prices and wages that are too high, and by government restraints or policies of monetary inflation or deflation and by monopolistic practices. It is the duty of the government to assure a fair open field for free competition by not putting obstacles in the way of the fullest operation of a free enterprise system."

ALL WERE FORTUNATE
The passengers in that C T C bus that turned completely around by skidding on Snyder's Hill, in the east end of our boro Saturday, were indeed fortunate. With the approach of winter, that should be a warning to the State Highway Department to try and make this much traveled highway safer for winter driving. Numerous accidents occur on this hill every winter and its only good fortune that has prevented a death thereon to date.

SYMBOL OF RESISTANCE
Cecile B. DeMille, the motion picture producer who was forced to resign from his post on a nationwide radio program because he refused to pay a dollar assessment into a political fund of a radio artists' union, has become a symbol of resistance to the ruthless tactics of a current labor union leadership. He warns that "a new thing has arisen in this land—or rather a very old and very evil thing—tyranny."

"When one man or group has the power to decide who shall work and who shall not, that is a national cancer—a cancer that must be cut out before it renders our country too weak to resist the poisons of totalitarianism."

CRIME INCREASES
An increase in crime throughout the country is blamed upon the upheaval resulting from war. Crime increases not only in petty cases but in advanced stages, as murder. We were warned ahead that crime waves follow war. Juvenile delinquency makes thieving in the early teens a popular "game." The chief cause of such delinquency is due to the absence of parents from homes, war workers disrupting a family life not conducive to making children responsible. Adult crime is blamed on the failure of law enforcement agencies to function properly. In many cases where they do their job, the criminal and politician are so allied, the court does not back the people. So it goes, the fault being laid upon someone else, the excuse of the criminal mode to cover the ailment itself. We need to clear crime centers of their excuses!

POPULAR IN PACKAGES
A typical family in the city, spends \$47.85 a month for food and out of this, \$5.64 is for packaged goods. A farm family has the advantage of home produce and so spends only \$33.78 a month, yet \$8.25 is for packaged foods. This survey is from the average income as well as average size family as determined by Census Bureau. The study was made to find out about the popularity of packaged foods, for a farm publication. It seems to prove that such foods must taste as good, are as easy to prepare and probably cost as little. Dehydrated foods are supposed to gain in favor since the war and we

and came to rest facing in the opposite direction.
The passengers were injured when they were hurled from their seats. The bus contained more than 30 passengers.
Another driver took the bus into Lancaster.

Six Cars Involved
Two persons were injured and six automobiles involved in an accident on Main St., Saturday night at 10:50 o'clock.

The accident occurred, it was reported, when a car driven by Jerry C. Miller, Lancaster R6, crashed into the rear of a machine driven by D. Walter Miesse, 38 S. Prince St., Lancaster, which forced the Miesse machine to collide head-on with another car driven by William B. Fisher, 809 Helen Ave., Lancaster which was traveling west.

After the Mease car struck the Fisher auto, Chief Zerphey reported it caromed off and then struck three cars parked along the street. These were owned by John Miller, of this boro; Melvin W. Martin, 344 Maple Ave., and Earl H. Leiminger, Lebanon.

Miller suffered lacerations of the forehead, while Donald Mooney, 67 S. Marshall St., a passenger, was cut on the head.

Crash Near Manheim
Two persons were slightly injured Saturday at 6:45 p.m. in a collision on Route 72, just one mile south of Manheim. State Police said that one car was driven by R. Fellenbaum, of this boro, and the other by Henry K. Flory, Manheim R1.

The Fellenbaum car, police said, came out on the highway from a township road and the motor stalled, causing Flory, who was driving towards Lancaster, to run into its side. Mrs. Fellenbaum, who was riding with her husband, suffered a shoulder injury, while Mrs. Flory bruised her leg. Both were treated by physicians.

Truck and Auto Crash
No one was injured in a truck-auto accident here at 11:15 a.m. Saturday, Chief of Police Elmer Zerphey, who investigated, said the rain soaked highway was to blame for the crash.

George T. McGuigan, twenty-five, Franklin St., Strasburg, according to Zerphey, was operating a truck owned by Tank Truck Reynolds, Inc. on the Harrisburg pike and slowed down for the railroad crossing near Van's Diner. Theodore M. Gordon, 24, Asbury Park, N.J., a sailor, who was following the truck, applied his brakes but his car skidded into the rear of the tank truck. The sailor's car was damaged considerably but only slight damage resulted to the truck.

Strikes School Bus
William Reed, 32, Philadelphia, charged with failing to leave identification at the scene of an accident, posted bail for court following a hearing before Justice of the Peace Schenk, Landisville. He was arrested by State Policeman Oreszko who accused Reed of striking the rear of a school bus operated by N. R. Getz, 66, Lancaster R1, while pupils were discharged on the Harrisburg Pike, Nov. 1.

and R. W. Walker of Phillipsburg Penna., Mr. and Mrs. C. C. Greider of Salunga, Glenn Kauffman, Kenneth Rettew and Benjamin Weaver, Jean Albright and Marion Ulrich were entertained with a house party on Saturday evening, by Mr. and Mrs. Luther Ulrich. Messrs. Ulrich, Metterick and Walker are located at Bainbridge, Md. Before entering the service, all three were school teachers.

The Merry Maids Class of the United Brethren Sunday School will meet at the home of Mrs. Wilbur Rettew on Tuesday evening.

Bobby Fornoff, son of Mr. and Mrs. Roy Fornoff, was discharged from St. Joseph's Hospital on Sunday after undergoing a minor operation.

Cpl. Ray Mummaw, U. S. Marines, stationed at Quantico, Va., spent the week-end with his parents, Mr. and Mrs. Guy Mummaw.

Pvt. William Zipp, Camp Croft, S. C. is visiting his parents, Mr. and Mrs. William Zipp, Sr.

Pvt. Albert Breesey of Fort Belvoir, Va. visited his wife, Mrs. Martha Dyer Brosey over the week-end.

On Sunday the Ironville U. B. S. S. observed men's day, with a patriotic service. 1st Lt. Norman Wintermyer, who saw action in the South Pacific, gave an interesting talk on that area and Pvt. William Zipp, led the school in the "pledge of allegiance". In the evening Chester Scantling of Wrightsville gave an inspiring talk and the school, purchased a number of comfort kits to be forwarded to the Seamen's Institute at Philadelphia. Next Sunday evening Mrs. Robert Shellenberger, a former resident of England will address the society.

Korea
Dear Mr. Schroll: I have been reading the letters different fellows have written to you concerning requests for the Bulletin. At last I have finally received the June issue with the request blank in it. You can see how long it takes for mail to catch up.

We left Okinawa and are now occupation troops in Seoul, Korea. Seoul is the capital and there is not a pleasant place around here. I want to thank you very much for your time and trouble you have taken. I appreciate it very much.
Sincerely Yours, Park Neiss

THAT NEW NINETEEN FORTY-SIX CHEVROLET

Gleaming new 1946 Chevrolets, sounding note in sleek, modern styling, and embodying the latest of new engineering progress, are on display today at H. S. Newcomer & Son, of Mt. Joy.

"The new models mark an outstanding step in Chevrolet's progress as top producer in the automotive industry," said Mr. Newcomer. "More Chevrolets than any other motor car were sold in 10 of the last 11 years of prewar automotive production. We are confident that the new postwar cars will once again be a sales winner."

"One of the most striking new features, which gives evidence of the inherent over-all artistry of these cars, is the completely new front-end treatment, redesigned to emphasize the low, modish lines. The bumper, bumper guards, radiator grille, parking lamps, hood ornament and name emblem all present an appearance of new, graceful ruggedness."

Outstanding style distinction is immediately apparent in the stunning array of color combinations on the bodies by Fisher for the 1946 Chevrolet. Six different color schemes are available on all regular models. A range of three solid colors is provided, and in addition, ultra-smart two-tone hues are available on specification, all in the newest and most appealing shades.

The 1946 Chevrolet appears in three lines: the Stylemaster, offering unusual refinements in the lowest price bracket; the Fleetmaster, with further advanced finish and appointments, and the Fleetline, most attractively styled model Chevrolet ever has offered.

The first Chevrolet to come from factory production lines is the popular Stylemaster sport sedan, a four-door model which is being featured in the initial display by H. S. Newcomer & Son. As manufacturing conditions and available materials permit, it is planned to broaden production schedules to include such models as town sedans, business coupes and other types. Fleetmaster and Fleetline output will follow.
