Wednesday.

The State Department of Highways has asked for bids on a proposed concrete bridge over Little Chickies Creek, two miles north of here in Rapho and Mt. Joy townships. The contract also provides for the construction of bituminous surface approaches to the span.

The bridge is intended to replace an old covered bridge which was washed away and destroyed during "flash flood" last July. Since that time the road has been barricaded and patrons used a detour Bids must be submitted by June

Lanc. Co. Firemen's **Asso.** Convention

Despite a steady downpour of rain 6,000 volunteer firemen paraded through Columbia Saturday afternoon to climax the Lancaster County Firemen's Asso. biggest and most colorful convention in five

During a business session preceding the parade, Earl F. Lefever, of Quarryville, was re-elected president of the association.

Volunteer fire fighters of 68 county fire departments put on the largest display of fire protection equipment and personnel since the war years as 2,000 witnessed the spectacle in a steady rain.

Fire fighting apparatus ranging from the outdated man and horse drawn engines to the present day high powered fire engines were seen in the parade.

More than forty marching delegations with over twenty bands and drum corps, were in line. The delegates paid a half-hour
