WISE

A certain man not so far from town was about to become father. The doctor came, went upstairs and soon asked for a small screw driver, then a larger one, then a small wrench, then the ice tongs, each time making the trip up and down stairs.

The father to be, getting very impatient remarked: "What in thunder are you doing with all those tools? Tell me, is it a boy or

The doctor replied: "How in d- medicine case open.'

A fellow up at Florin told me this one yesterday. One hot evening last week his old maid neighbor kneeled at the bed to say her little prayer and he heard her wind up as follows: "- and please send him back safe, sound and
