**Can you answer these questions...**

**about our Community Chest?**

**Q...** Why do we have a Community Chest?

**A...** Because it's the simple, sensible way to raise the money needed by all the Red Feather social, welfare, health and recreational services that serve in our community

**Q...** What are these Red Feather Services?

**A...** You'll find them listed at the bottom of this message.

**Q...** How much money do we need?

**A...** \$500,000.

**Q...** Who decides the campaign goal?

**A...** A committee of our own local citizens has studied the needs of the community and the budgets of each agency. Incidentally, the high cost of living has affected every community service, too. Costs of food, clothing, medicine, building, upkeep — they're way up for Red Feather services just as they are for you.

**Q...** Who decides how much each Red Feather Service gets?

**A...** Our committee weighs the impor-

tance of each service to this community... and allocates the funds accordingly.

**Q...** What advantage is there in giving to the Chest, rather than directly to an agency?

**A...** Because each of these Red Feather Services won't be separately ringing your doorbell asking for funds. But more important, the good of the whole community rather than the persuasive power of competing agencies will determine how the money is divided.

**Q...** How does "everybody benefit" from the Community Chest?

**A...** It is estimated two out of every five families in town use one or more Red Feather Services during a given year. They are the direct beneficiaries. Actually, of course, every one of us benefits when we live in a town where community spirit and conscience really protect the young people,

strengthen family life, provide health and medical services, care for the helpless, handicapped and aged. Wouldn't you say so?

**Q...** How much should I give?

**A...** That's strictly up to you. You might find the answer by asking yourself how much you'd give to each Red Feather Service if they came to you separately. Add the answers and try to match the total. Remember, too; you won't be asked again for an entire year.

**Q...** How do I give?

**A...** During the campaign, a volunteer Red Feather worker will call on you at home or your place of business.

**Q...** Do I have to pay my pledge all at once?

**A...** No, indeed. You may pay at several periods during the year when it is most convenient. Your word is as good as your bond!

*Everybody benefits... Everybody gives*
