We, the undersigned citizens of Mount Joy, Penna. and property owners, residing on Frank Street and vicinity of the aforesaid borough, protest to the Mount Joy Boro Council at this time against the building of a garage by Clarence Schock on the South Side of Frank Street.

We consider this a menace to our property, as a fire hazard, causing a lowerment of our valuation, as well as being a public nuisance.

We, therefore, as citizens ask your kind consideration in this matter.
