## PUBLIC SALE SAT., FEBRUARY 28, 1948

on the farm located in Lancaster County, midway between Mount Joy and Manheim, 1/2 mile north of the Manheim - Mt. Joy road.

### The Locustcroft Farm Herd of 60 head of Registered Holstein Cattle

Consisting of 27 COWS, some are fresh and about half are bred for early fall freshening, 10 bred heifers, 13 open heifers, 5 BULLS and the balance are calves.

Continuous testing for production has been done for the last 20 years. Every cow has a record each year that she was in production. Elmercroft Monogram (He by Montvic Monogram the great proven sire and from a family of very high testing cows) has been our main herd sire the last four years.

There will be no less than 40 head of his offspring in the sale. His two first daughters have completed records as follows: Locustcroft Monogram Baires, 2 years, 1 month old, 407 lb. fat, 4.1 per cent test, and Locustcroft Monogram West, 2 years, 3 months, 431 fat, 3.6 per cent test. We believe there will be more grand-daughters and grandsons of Montvic Monogram in this sale than was ever offered in one sale.
