A LETTER OF THANKS

A local girl received a very lovely "thank you" letter from a pastor's wife in Austria, in behalf of a little girl who received a warm winter coat from her. Sandra Darrenkamp, High St., this boro, sent a coat abroad that was received by G. Honegger, Mitterbach, Sei Marzell, Austria. Recently she received the following letter:
"My dear little girl:
Your beautiful coat has very much rejoiced a little girl living amidst a large forest.
As nobody of her family knows your language I am to say many thanks and God bless you.
The Pastor's Wife."

The Rt. Rev. Henry Knox Sherrill, presiding Bishop of the Episcopal Church, who is asking Episcopal Church members to give a million dollars in 1948 for the relief of needy peoples in war-devastated countries of Europe and Asia. The Church raised a million dollars for this purpose in 1947, and will attempt to give a similar amount in 1948 and a third million in 1949. Relief is given through Church World Service in Europe and the National Christian Councils in the Oriental countries.

On Sunday, February 29, substantially every member of the Episcopal Church will hear the voice of their Presiding Bishop, The Rt. Rev. Henry Knox Sherrill, by means of a new and extraordinary use of radio. In Mount Joy the congregations of St. Luke's and St. Elizabeth's, Elizabethtown, will sit in their pews and at exactly 11:32 and 1-2 a. m., the Presiding Bishop's voice will be heard, telling of the needs of war-devastated countries in Europe and Asia, and urging Episcopal Church members everywhere to accept their plain duty and privilege of helping these suffering millions. The same scene and the same message will be repeated in thousands of Episcopal Churches all over the country, at exactly the same time.

The Episcopal Church gave more than a million dollars in 1947 through its Presiding Bishop's Fund for World Relief, and it intends to raise the same amount or more in 1948. The entirely new use of radio opens what is expected to be a very brief and highly successful campaign.

At the Sunday service, February 29, when Bishop Sherrill's ten minute address ends, the Rector of St. Luke's, the Rev. Carlton N. Jones, will tell his people how they may have a part in this program of aid for the distressed, through the Presiding Bishop's Fund. Then the opportunity will be given for gifts. At national Church headquarters in New York City it was stated recently that "Our 1,600,000 people can raise \$1,000,000 for the Presiding Bishop's Fund for World Relief IN ONE DAY if each parish and mission will do its share."

As Episcopal Church people are being told of the forthcoming event, and parish organizations are busily engaged in getting promises of attendance, it is expected that congregations will be extremely large, so that most members of the Church will hear the message. Certainly well over a million people, seated in Episcopal Churches will hear Bishop Sherrill tell of what he has seen personally in Europe, and what is the Church's task at this critical period in the world's history.
This is the first time radio has been used by any Church in such a way, to convey a message to its whole constituency at one time.

Mr. Gruen will point out in his explanation of this service, that everything in the Passover points to the Jewish Messiah, the Saviour of the world, Jesus Christ. Everyone is invited to share this service with us.

A STABILIZING INFLUENCE
Lancaster County Farm Bureau Co-operative Association is one of many farmer co-operatives which, in addition to its normal economic functions, acts as a stabilizing influence on the economy of this area and of the State and the Nation.
It is democratic and representative in form. It is built on a basis much like a New England town meeting, where each member has one vote.
It is different from the ordinary profit corporation in that money invested in Lancaster County Farm Bureau is not a determining factor in the selection of directors nor the control of management. The man with a small farm has as big a voice in management matters as the man with a big farm. This Red Rose county organization has more than 4000 member-stockholders, about 1500 more patrons who are not yet members.
