Easter Customs Date Back To Pagan Days

Many of our present-day Easter traditions, such as the exchange of colored eggs and gay greeting cards at Easter time, Caskey High School and is em- wife, Mary. Fickinger and his wife, Joy borough elementary and high have their origin in ancient customs that reach back to the dawn of civilization.

The word "Easter" itself comes from Eostra, the Anglo-Saxon goddess of Spring and pagan symbol of fertility. The snows melted and flowers bloomed when she touched the earth, the Teutonic tribes believed.

According to legend, Eostra transformed her pet bird into a rabbit who later developed into our familiar Easter Bunny. That's why the elusive, generous hare still builds nests like a bird and fills them with colored eggs for children.
