

OWL LAFFS

A WISE OWL

After that 'big league' finish to the Midget game at Landisville on Monday night, I am sold on those boys. Where they play, I go. Roar along, Lions.

I have definitely decided to have a nice, Scotch vacation this year. I am going to stay home and let my mind wander.

As soon as the average youth decides he can read a woman like a book he wants to join a circulating library.

I was pausing in an ante room at a Lancaster Hospital, when I witnessed the following scene:

The nurse beckoned to one of a group of expectant fathers and announced, "You have a fine son."

Immediately another man rushed up and complained, "What is the idea? I was here before he was." — I will have to tell him a few things.

What would happen if we struck a big iceberg? A nervous passenger asked, on a vacation cruise in Arctic waters.

"The iceberg would pass along as if nothing had happened," answered the captain, tactfully.

The passenger sighed with relief.

Engagement is that period when a girl is placed in solitary confinement — Says who?

"Why don't you answer the telephone?" a nagging wife complained.

"It isn't ringing," her hubby answered.

"Must you always wait until the last moment?" she bellowed — Brother!

Small boy explaining a broken window to a policeman: "I was cleaning my slingshot and it went off."

When a lady called a doctor's house to get some advice, she was given a wrong number and after asking her question, she finished with: "What shall I do till the doctor arrives?" And the smarty on the other end answered, "Play three handed."

These picnics every Thursday are tough on my schedule. First it was a long July 4th week-end, then the Sunday School picnic now today the Groce's picnic and next Thursday, the Automobile picnic. When do you expect me to put in a full weeks work?

It doesn't matter how large a fish is when caught. The person who landed it always lies about its size.

Some dogs may have pedigrees a mile long and their manners in company can easily be counted in inches.

The guy who can't enjoy pleasure unless he goes about it in a business like way should be put afloat nine miles from shore and left to swim or sink.

Took a little jaunt to the beach Sunday and I noticed that most women have on more make-up than they do clothes. May the Lord pity the fully clothed bathers.

It's too bad you folks had to miss the Tuesday afternoon sewing circle over on Sheetz's front pavement. Cohn, Hoffmaster and Sheetz (Dick) were doing the fancy work. Jerry kibitzed cause he forgot his thimble. Next week they're going to crocheted.

— If you think I'm kidding look how neatly the carnival banner is mended, after some careless trucker practically ripped it to shreds. Nice work, fellows!

We very much appreciate donations to our Owl Laff column, but

Our Midgets Won From Elizabeth's

That Hallgren - Brown - New-comer coached Lions' Midget baseball team met the Moose Midgets from Elizabethtown, last years champs on neutral grounds at Landisville, Monday evening in a tournament duel and marched off the field victorious in big league style 3-2, in one of the most spectacular finish one would care to witness.

It was strictly a fielding battle, with both Estock and Shearer fanning two. Estock walked two and Shearer two. Mount Joy got six hits to E-town's five, with Mt. Joy's Ben Clinger getting his sixth straight hit as he pounded out three for three.

First Inning E-town - First batter singled and was out when Kessler reached first on a fielders choice. B'hauser hit to left, Benny Klinger speared it with one hand and then doubled the runner at second.

Mt. Joy - Klinger hit over second, Shupp bunted and was out at first and Hetrick rolled out to 2nd to 1st and Bowman was tossed out 3rd to 1st.

Second Inning E-town - Gooding was an easy out Germer to Bowman. Estock fanned Miller, pitcher Shearer drew a base on balls and the catcher Seitz was an easy out short to first.

Mt. Joy - Fogie singled to right, Brown fanned after two attempted bunts, Fogie stole second, Engle drew four wide ones, Duckie Germer hit to center scoring Fogie and Engle, but was out at third, Estock rolled to short, Klinger, his second time up, sent liner to left and stole second, Shupp hit thru Miller at short and Estock scored, Hetrick fouled out to third, ending the inning with three runs scored.

Third Inning E-town - First midget up hit to Shupp and on a slow throw at first stole second, next batter safe at first but preceding batter forced out at second, third batter hit to center and on the next play, fourth man up was out, short to first but the runner scored, fifth man up hit to left and the runner ahead scored Elizabethtown's second run, sixth batter made the third out short to second.

Fourth Inning E-town - First batter bunted and was out, pitcher to first; second one struck out, third drew a base on balls and the fourth was an easy one Shupp to Bowman.

Mt. Joy - Germer out 2nd to 1st, Estock followed suit pitcher to first, Little Benny Clinger on his third time up punched a clean one to sight and Shoop made the third out short to first.

Fifth Inning Here's where the fire-works started, George Germer almost had heart failure and the victorious team looked like dead dogs. The 1st man up beat out a slow grounder pitcher to first, second batter was safe by a whisker - two on, none out. Third batter rolled to Shupp at short who fumbled it a bit too long and runner was safe - three on, none out.

Right here things began to happen. Fourth batter fouled out to Brown. Fifth batter tapped a fly back of third. Shupp scooped it in, ran to third, made a double play unassisted which not only ended the inning but the game, giving Mount Joy a surprising victory 3 to 2.
