## A WISE OWL

Ah, September, beautiful, invigorating, lovely, COOL September.

You know, if we saw ourselves as others see us we would know the first look is surprise and the second verification.

Which brings to mind, that after closely scrutinizing (and it was a pleasure) the gals of today, I've definitely learned that there isn't a mistake made by nature that a girl cannot powder over. The stuff they call beauty cream is actually wrinkle putty and complexion cement. The first law of beauty is to always have an extra face in the handbag.

The terrible thing about the Nawful Look was its complete and total switch-over. Some seasons the girls wore high necks, sometimes they went without hats and sometimes they left their waistlines in the laundry bag.

But this year they just threw everything overboard. Where they made their mistake was not in jumping after it. — Remember what fun it used to be standing on a corner on a windy evening like Wednesday?

A local lady hired a new maid and was giving her instructions when she said: "I am a woman of few words. If I beckon my finger I mean come." "I am a woman of few words, too," replied the maid. "If I shake my head I mean I ain't comin'." — That's "help" for you.

Up at the bank this morning I overheard a teller say to a downtown hubby, "Sorry, Mr. — your wife beat you to the draw." Woe is he!

Speaking of domestic help, they sure can get you in the darndest messes. An E-town man was under the impression that he had successfully gotten away with getting home at 6 a. m. one morning, but the maid, who was already up when he sneaked in the back door fouled him up. When he got her alone, he asked: "Why did you tell my wife what time I came in this morning after I told you to be quiet about it?"

The maid replied: "I didn't, sir. She asked me what time it was, and I told her I was so busy cooking breakfast that I didn't notice."

To keep young, associate with young people. To get old in a hurry, try to keep up with them.

A local papa is quite confused. Usually, he can cope with his off-springs questions, but here's the last one which he is considering before answering:

"When a doctor gets sick and gets another doctor to doctor him does the doctor doing the doctoring have to doctor the way the doctor being doctored wants to be doctored or does the doctor doing the doctoring doctor as he wants to doctor?"

Saturday evening I was down around Hess' when "Candy" Randle came tearing on South Barbara St. in his pretty grey coupe, coming to such a sudden dead stop at the Main St. intersection that the motor stalled. He tried and tried but it refused to start, and after "grinding several pounds" Ray Myers, who was among the bench warmers at Clay's, rushed over to the car took a nickel out of his pocket, dropped it in the window and just then the motor turned over.

Of course, Ray says it was the nickel, but we know it was a good car just being temperamental.

The things some people in public life have to cope with, frightens me. For instance our game warden reports this little episode. A lady called him on the phone and asked: "Are you the game warden?"

## Harold Fellenbaum New County Tennis Champ

It took two Mount Joyans to finally decide the Inter-County Tennis Loop Singles Championship on the Lancaster Tennis club grounds Sunday. They were Harold Fellenbaum and Eugene Crider with the former emerging victorious.

Earlier in the afternoon, the new singles champion advanced into the finals bracket by defeating Gene Barber, 6-1, 6-2. In the final competition, Fellenbaum defeated Crider, 6-2, 6-1.

Fellenbaum had previously won the singles title in 1946 but the title was picked up by Bobby Zink last year, a former resident, did not compete in the Inter-County Tennis League this year and was ineligible for the tourney.

Sixteen players competed in the tournament.

At the same time, the Lancaster Tennis Club clinched the Inter-County Tennis League championship by defeating the York Racquet Club, 9-0, on the Lancaster Tennis Club courts.

The Lancaster Club had previously won the title in 1942. Mt. Joy still has two unplayed matches, but can do no better than hold down the runner-up post by winning both matches.

## READING FAIR ADDS A WEEK'S FASHION SHOW

Special features are being planned for the thousands of women who will attend the 1948 Reading Fair, September 12 through September 19.

John S. Giles, president of the Reading Fair, announced this week that an innovation for outdoor fairs—a fashion show—has been added to the hundreds of other features of the 1948 fair.

The fashion show, which will be staged September 14 through September 17, will consist of 30 garments which will give a completely rounded picture of the new fashions for Fall. New fabrics will be highlighted and new color treatments will be explained.

Miss Peggy Susse, the New York pattern stylist for Simplicity Patterns, will act as commentator and mistress of ceremonies. The fashion show will be presented daily on the grandstand stage.

## MOUNT JOY REPRESENTED IN CO. BOWLING LEAGUE

Mount Joy will have a team in the County Bowling League this season. The season opened last evening, Tony Tronio, Elizabethtown, is president.

Mount Joy's team comprises John Barnhart, captain; Charles Hendrix, Marlin Fry, William Hipple, Berwood Corll, Charles Pennell.

He replied: "Yes, lady, what can I do for you?"

The lady exclaimed: "Oh, thank goodness I've got the right man at last. I'm giving a children's party and I want you to suggest some games."

There's an epidemic of purple oleomargarine! Mrs. Paul Brandt got quite a luff out of last week's purple oleo until it happened to her. She was determined not to let the Krall men know about it, so it wouldn't reach this column. But our grapevine was most efficient and here it is!

## Play Ground News

By Eleanor Esheleman

The playground activities for the summer drew to a close with a very busy and interesting final week. The main event of the last week was a stunt night to which the public was invited. The program included group singing by the girls, several stunts and gymnastic feats. A large number of crafts were on display during the evening.

On Friday morning awards were presented to the four girls and four boys who had the highest number of points during the summer. These prizes were donated by the merchants of town. The prizes were: a bow and arrow set, a string of pearls, four pairs of socks, two wallets, a pocket knife, a ball point pen, and a baseball bat.

Arthur McCowin and Peggy Zimmerman won with the highest number of points. Charles Zeller and Thelma Snively had the 2nd highest number of points, Jimmy Krall and Jeanette Gruber had the 3rd highest number of points, Cecil McCowin and Marlene Garber had the 4th highest number of points. Arthur McCowen was awarded the \$5.00 D. n Wasser Award for his outstanding sportsmanship, which was displayed during the eight weeks of playground activities. Through the courtesy of the Rotary Club, John Bowman was awarded a check for his faithful service in assisting the supervisors. Ribbons were given to the children who did outstanding craft work and also to the children who were the winners of the events which were held weekly.

Every child looked forward to the trip, at the end of the playground season, to Philadelphia to see the N. Y. Yankees and the Philadelphia Athletics play baseball. Approximately 50 children made the trip to Philadelphia and it was truly a grand climax to an enjoyable playground season.

## TOMMY DORSEY'S ORCHESTRA AT READING FAIR IN SEPT.

Reading Fair officials are going to turn the fair's new, modern roller skating rink into a topnotch amusement center during the 1948 Reading Fair, September 12 through 19.

John S. Giles, president of the Reading Fair, announced that plans are being made for the use of the rink for a special entertainment feature every afternoon during fair week. This extra entertainment will be in addition to the Grand Circuit horse races and the acts on the grandstand stage. However, Giles pointed out, they will not conflict with each other in regards to time.

Plans call for the use of the roller rink both afternoon and evening. Giles has announced that Tommy Dorsey and his orchestra will play for dancing in the rink, Tuesday through Friday, September 14 through 17. Dorsey's appearance in the roller rink will mark the first time the Reading Fair has retained a big name dance band on the fairgrounds for the entire week.

## VERY GOOD ATTRACTIONS AT RHEEMS SAT. NITE

On Saturday, Sept. 4th, the Rheems Fire Company will again bring you an evening of full entertainment consisting of eight vaudeville acts with Shorty Fincher and his original Prairie Pals, plus the Jamboree Gang from W.O.R.K.; Tip, Tap and Toe, America's tip Sepia dancers; Fayne and Foster, a sensational musical novelty act; The Three Fontaines, in a breath taking adagio act also Roy Reber's Orchestra.

There will be games, cakewalks and plenty of eats.

## MILLIONS OF BUBBLES

A freight company has 2,000 lbs. of bubble gum, enough to give three pieces to each of 77,000 school pupils and the teachers in Lawrenceville. It was shipped to a firm there which refused it.

Besides being a world play ground having large manufacturing and commercial interests New Jersey's agricultural and fruit interests are large and valuable.

## HICKORY GROVE

There is lots of talk about moving pictures. It is talk about the mediocre ones—which kind of talk is okay, same as it would be about anything that is below standard. As she looks to me it is the same with pictures as it is with shoes, or a new suit, or 100 other things—you need to be awake to pick the good from the shoddy. You might be took-in with a silver-washed pewter coffee pot or shoes with paper soles, but if you are, you are not on your toes or too overly alert.

And with movies—instead of saying all movies need fixing, it is no more truth than saying all shoes have paper soles. 'Taint so. But when the neon sign on the theatre says, "Ambulances are standing by—come in—shudder—be chilled to the core"—you can plunk down your 4 bits or say, Oh! yes, and go on about your business.

The mamas and the papa who are more interested in parking their off-shoots some place—any place—so they, themselves, can "step", could solve the mediocre picture problem pronto, if they were in the mood. Some heed to what show little Johnnie and little Mable see, would do the trick—the mediocre ones would fold, rapid. Sounds simple, says Henry. Sure, I says, sure as there are little apples.

Yours with the low down, JO SERRA

## MIDGET-MIDGETS & S. S. CLASS SAW ATHLETICS-DETROIT

Last Thursday Manager Bob Kunkle gave his Midget-Midgets quite a treat by giving them a free trip to Philadelphia where they saw the Detroit-Athletic baseball game. Ask any of the Midgets who won and they will tell you, "Why the A's of course, 5 to 4." Mr. Lester Hostetter gave his United Brethren Sunday School class a similar treat by taking them to the same place, same time. All made the trip in Councilman Newcomer's school bus.
