**How to go to bed feeling good tonight**

As he began undressing, he thought: "Must decide what to give our Community Chest. Guess I'll give 'em what I did last year."

That started him thinking about all the wonderful work our local Red Feather services do for our boys and girls... our aged and lonely... our sick and crippled... our troubled and distressed.

"Gee," he muttered, "the cost of providing all those services (medicines, supplies, staff) must have gone up like last year."

So he made out a bigger, more generous pledge than he'd planned; kissed his wife good night and switched off the light. Golly, he felt good. (And so will YOU!)

**YOU'LL FEEL GOOD** because you'll know you've helped the hospitals and the clinics... because you've helped the visiting nurse services keep up their blessed work of health and healing.

**YOU'LL FEEL GOOD** because you'll know you've helped keep open the doors of day nurseries and foster homes where orphaned or neglected children find shelter and love.

**YOU'LL FEEL GOOD** because you'll know you've helped our youngsters... the youth services that develop citizenship, character, health, and open up new adventurous worlds to youngsters.

**YOU'LL FEEL GOOD** because you'll know you've helped the crippled to overcome handicaps... to make themselves reliant and self-supporting, to find a useful, happy place in the world.

**YOU'LL FEEL GOOD** because you'll know you've brought kindly care to the aged... and that your dollars have helped family services keep many a home from breaking up.

Remember — one pledge covers many Red Feather services

Because we have a well-managed Community Chest uniting many appeals, you are called on only once a year, for all of them. So when you give, GIVE ENOUGH... enough for ALL Red Feather services... enough for a FULL year!

Everybody benefits... Everybody gives
