NATIVE EGYPTIAN AT CALVARY CHURCH
 Mr. Adly Fam, a native of Heliopolis, Cairo, Egypt, will be speaking at the Calvary Bible Church on Saturday evening at 7:45 p.m. In the early part of this summer Mr. Fam paid a visit to this area and spoke to a responsive audience, this was shortly after arriving in the states. In the meantime he has been subjecting himself to intense study at Columbia University in New York City where he is pursuing a course of study that will lead to his Doctorate.

In Egypt he is engaged in teaching at the English Mission College and itinerant evangelistic work. In his quest of knowledge in the course of his academic preparation he has had to travel extensively. His travels have taken him thru the Holy Lands, particularly Palestine proper. This qualifies him to speak with authority on the problems and difficulties involved at this time in that area.
 His return engagement to the Calvary Bible Church and this area will be welcomed by those who heard his series of messages earlier. An invitation is extended to others to share the inspiration of this one meeting. Mr. Abe Davis will sing several numbers. Mr. Davis is a student at the Lancaster School of Theology and School of the Bible.

RALLY DAY OBSERVANCE IN FLORIN E. U. B. CHURCH
 The Glossbrenner Evangelical United Brethren Church at Florin, will hold Rally Day service on Sunday, Sept. 19, at 9:30 a.m. There are several outstanding features of this days observance. First of all, the speaker for the occasion is Dr. Roy H. Stittler, of Harrisburg, publisher of the Telescope Messenger, the official weekly magazine of the Evangelical United Brethren Church, as Dr. Stittler speaks to the adults Miss Anna Mae Eby of Mount Joy will speak to the Juniors. The Choir of the local Church will sing.
 The attendance goal for the occasion is three hundred. It is expected that this goal will be more than reached. The financial goal is one thousand dollars (\$1,000.00). This amount is now in sight, by the time all the monies from the Sunday School classes are in, the goal will be more than passed.
 The people of Florin E. U. B. Church invite you to Rally Day.

Watch for THE FIRST EGG

... then start feeding Farm Bureau SUPER LAYING MASH

The day your pullets lay the first egg—then is the time to start switching from Farm Bureau Growing Mash to Super Laying Mash. A good laying mash must do a double job for your pullets:

- 1—Supply raw materials for keeping up body weight and health.
- 2—Supply raw materials for producing eggs.

Farm Bureau Super Laying Mash does both of these important jobs economically and efficiently because the formula used is based on scientific research in State Colleges and Experiment Stations. This superior mash contains the best ingredients, carefully balanced to supply the raw materials for sturdy growth, vigor and egg-making.
