Grass Silage Offers Benefits to Dairymen

Advantages Are Shown in Wisconsin Research Twelve positive advantages that grass silage offers dairy farmers were compiled as a result of tests conducted by Wisconsin FFA chapters and Kraft. Some of the decided advantages were: Grass silage preserves as much as 30 per cent more protein of alfalfa.

There need be no loss of the crop through rainy weather at haying time. Crop may be saved in a more orderly manner and labor distributed more evenly. A grass silage program helps in control of weeds because it destroys the viability of weed seeds. A grass silage program makes the control of erosion and insect pests easier. It can be used to preserve the feed value of weedy crops. It can be used to give pastures a much-needed rest period in the fall. Grass silage makes for more vitamins and more color in winter milk, and butter than either corn silage or sun-cured hay.

Population of World

The world has about 2 1/2 billion people. Since 1936, population has been increasing at the rate of nearly 1 per cent annually, which means approximately 20 million more people to feed each year.

Origin of Old Custom

The custom of throwing shoes after a new bride originated in medieval times. In those days people threw shoes because leather shoes represented economic power, authority and position.

Fire Prevention

If you discover a woods fire burning uncontrolled, no matter how small, put it out. If it is too large to handle, report it to the nearest state or federal conservation officer.

Sails on Railroads

Experimental cars equipped with sails were tried out on both South Carolina and Baltimore and Ohio railroads in the early days of railroading.

National Defense

National defense constitutes the largest single item of the budget. It is placed at 11 billion dollars, or 28 per cent of the total.

Under the Lights

First night baseball game was played at Fort Wayne, Ind., in 1833 using 17 arc lights of 4,000 candle power each.

Weddings Thruout Our Community During Past Week

The marriage of Miss Sara Ruth Noll, daughter of Mr. and Mrs. Grant H. Noll, Lancaster RI, and C. Wimmer Sherer, son of Mr. and Mrs. Elam F. Sherer, Manheim RI, took place at the home of the bride. The ceremony was performed by Bishop Christ Lehman.

Miss Arlene B. Wenger, daughter of Mr. and Mrs. Norman F. Wenger, Manheim RI, became the bride of Roy B. Boll, son of Mr. and Mrs. Noah S. Boll, Lititz RI, at 2 p. m. Saturday in Herley's Church near Manheim. Bishop Homer Bomberger officiated.

Jeanne B. Kaufman J. Walter Kettering Miss Jeanne B. Kaufman, daughter of Mr. and Mrs. O. W. Kaufman, Neffville, became the bride of J. Walter Kettering, son of Isaac Kettering, this morn. Saturday, in the First Pentecostal Church. The Rev. Boston W. Turner officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a white velvet gown with a lace yoke and long train. Her fingertip veil was caught to a headress of orange blossoms and seed pearls, and she carried white roses and pompons. Miss Mollie Kaufman served as maid of honor for her sister. She wore a wine colored velvet gown made in identical lines as the bride's, matching mitts and hats and carried gold pompons.

The bridesmaids, Mrs. Kenneth Kaufman, sister-in-law of the bride, and Miss Kathryn Gushall, Henry E. Kettering, brother of the bridegroom, was the best man, and the ushers were Kenneth Kaufman, brother of the bride, and Daniel Kettering, brother of the bridegroom. Mrs. Boston W. Turner was the organist, and Mrs. Kenneth Witmer was the soloist.

Following a reception at the Overlook Country Club, the couple left on a wedding trip to Florida. Their future home will be at 34 N. Mary St., Lancaster.

Economy of Pasture

The economy of pasture, says the U. S. department of agriculture, is due in large part to the fact that labor is saved, the animals gathering their own feed and spreading the manure as they graze.
