Boy, Aged Four, Killed When His Bro. Starts Tractor

A very sad accident occurred in town Saturday when a four year old boy, Galen Richard Eberly was killed as he fell from a tractor which was accidentally started by a seven year old brother.

The boy, son of Park M. and Mary Detwiler Eberly, 121 N Market St., died almost instantly of a fracture of the skull, according to Dr. David E. Schlosser of this town, deputy coroner. Dr. Schlosser later issued a certificate of accidental death.

The child and his brother Ronald, seven, were playing together on the property of John Kreider on North Market St.

Dr. Schlosser said the two boys climbed on a tractor which Kreider was using to grade his yard. Ronald stepped on the starter and the tractor, which was in gear lurched forward throwing the boy to the ground.

Besides his parents, the boy is survived by the following brothers and sisters: Jean, at home; James with the Air Force in Texas; J. Marlin, Leroy, Joyce Louise, Ronald Park and Danna Lee who are all at home. Also surviving is the paternal grandmother, Mrs. Annie Eberly of Soudersburg.

The funeral was held from the home of the child's parents Tuesday afternoon with further services in the Mennonite Church here and interment in the Eberle Cemetery.

Council Levied a \$5 Head Tax To Pay Fire Engine

The regular November meeting of Mt. Joy Boro Council was held Monday evening with all members present.

One of the most important matters before the body was financing the new fire engine. A proposal to levy a \$5.00 head tax on all adults in the boro to pay the engine debt was agreed upon by a vote of four to two, the dissenting members being Messrs. Newcomer and Shoop.

Council pointed out that the new tax will remain for as long as it takes to pay off the new equipment and estimated the time as four years. The tax, it was brought out will affect 2,005 residents in the borough. Council also agreed to sell the old equipment and were informed by a representative of the American La France Company that they can get between \$700 and \$800 for the pumper.

The new Boro Authority will be sent to Harrisburg for the states approval. The members are S. H. Miller for 5 years; Grant Gerberich for 4 years; William Batzel for 3 years; Simon Nissley for 2 years and Harry Walters for 1 year.

The councilmen discussed the possibilities of installing parking meters in the borough but did not reach any definite decision. They hope to inquire about the cost of meters from various companies before any action is to be taken.

Present at the session were three local residents who complained about another resident parking his automobile in front of their homes on Detwiler Avenue when there is room in front of his own home. The group were informed that the council has no authority to force the automobile owner to park his car in front of his own home.

Joseph Sheffer represented the Chamber of Commerce and requested council to aid in payment for Christmas trees and lighting and was told that because it was purely for decorative purposes the council could not donate funds.

Samuel Dock complained about children running across the tracks and starting grass fires along the right of way. Council informed him that because it is on railroad property it becomes the duty of railroad police to investigate.

It was decided to sell the motorcycle which was used by Chief of Police Park Neiss who was injured on the cycle several months ago while on duty.
