May we take this opportunity to thank all the good friends who assisted when we had the destructive fire at our Quarries. Also the many customers who are so patient and cooperative in this interval of reconstruction.

Please be advised that we are in the process of rebuilding and in a few weeks our plant will be operating.

We have spent all our lives in the stone business and regardless of adversity we will continue. We will also continue to give you the best materials and service.

Many thanks for all your kindness.
